

**Sandip Foundation's  
SIEM  
Tech Fest-2020**

**Event Report**

**Tech-Fight 2020  
(Box Cricket)**

Box cricket or indoor cricket is a variant of cricket that shares many basic concepts with the original game but with added enhancements to improve the engagement and enjoyment of casual players. Different variants exist within box cricket based on the abilities and availability of players for the match. This event is organized for all students who are interested to participate as it is non-technical event. Each match is of 3 overs and consisting of 5 players in each of the team.

This event divided into Four rounds:

- 1] League Matches
- 2] Quarter Final Matches
- 3] Semi-Final Matches
- 4] Final Match

Students take this event as a opportunity to show their cricketing skills
