Tech Fight-2020**

**Event Report**

**Event Name (Chess)**

**Chess** is a board game for two players. It is played in a square board, made of 64 smaller squares, with eight squares on each side. Each player starts with sixteen pieces: eight pawns, two knights, two bishops, two rooks, one queen and one king. The player with white pieces always makes the first move. This event is open for all branch students.

This event divided into three rounds:

- 1) 1<sup>st</sup> Round:- Knock out round, Two players on each board will play match for 20 min. Max point player will be the winner for second round.
- 2) 2<sup>nd</sup> Round:- Winner from first round will play with each other for 20 min. Winner will play next round.
- 3) 3<sup>rd</sup> Round:- Second Round winner will play for final match and max point player will be the winner for tournament.
