

Sandip Foundation's
Sandip Institute of Engineering & Management, Nashik.
Department of Mechanical Engineering

Date:- 15th Feb 2016

Information about the Event

- College Name: – Sandip Institute of Engineering & Management
- Department Name: Mechanical.
- Title of the event: '**Design of IC Engine Components by 'Prakarsa' under VAP.**
- Date of the Event : 05.02.2016 To 14.02.2016
- Duration : 42 Hrs
- Time of the Event: 8.00 am To 5.00 pm.
- Venue:-Classroom of SE (C), Mechanical Department, SIEM.
- Guest of honour : 1. Mr Dipankar Aich (CEO & Founder- Prakarsa-Pune)
2. Mr Atul Pokale (Training Dept- Prakarsa)
- Total Strength of Students :- 19

Description of Event :

- 'Design Of IC Engine components' workshop had been organized by Mechanical Department of Engineering, under Value Added Program in 1st and 2nd Week of Feb 2016.
- In this workshop, CEO of 'Prakarsa' Mr Dipankar Aich with his colleague Mr Atul, were delivered various designs of components related to IC Engines in details like Cam designing, pistons and cylinder designing.
- Mr Dipankar had discussed current scenario in the Automotive Sectors with his huge experience of 15 years in industries Pune. He is working as consultant for TATA Motors , BOSCH and Emerson in pune.
- His specialization is design development, Emission solution software. He briefly discussed the methodology of Design and Developments of IC engines. The components like Connecting Rod, Piston Speed, Cylinder with Cylinder blocks and system of Inlet and Exhaust Valves with recent trends happened in FORD, TATA Motors and Emerson.
- At the end of workshop, Principal- Dr R G Tated, Dean Academics- Prof A S Dube, Dean Admin- Prof N L Bhirud , Prof S J Chede and VAP co-ordinator Prof B M Dusane were present to take review from students as well as Valedictory Function.
- Finally Prof M S Mhaske had given vote of thanks for sharing valuable industrial

things.
