# DESIRE 18

**Department of Civil Engineering**

Sandip Foundation's

Sandip Institute of Engineering and Management

Nasik.

# All about SIEM

## **VISION**

To mould our youngsters into Millennium Leaders not only in Technological and Scientific fields but also to nurture and strengthen the innate goodness and humane nature in them.

To equip them to face the future challenges in technological breakthroughs, information explosions and deliver the bounties of frontier knowledge for the benefit of humanity in general, the downtrodden and the underprivileged in particular as envisaged by our great Prime Minister Pandit Jawaharlal Nehru.

## **MISSION**

To build a strong Center of Excellence in Learning & Research in Engineering and Frontier Technology.

To facilitate students to learn and imbibe discipline, culture and spirituality besides encouraging them to assimilate the latest technological know how.

To render a helping hand to the under privileged, thereby acquiring happiness and imparting the same to others without any reservation whatsoever.

To emerge into a magnificent and mighty launching pad to turn out technological gains.

## **1. ABOUT THE INSTITUTE**

Sandip Institute of Engineering and Management (SIEM) is located in the scenic, eco-friendly and conducive-to-study campus at an elevation off the Trimbak Road (Mahiravani, Nasik) leading to one of the twelve renowned pilgrimages of jyotirlingas known as Trimbakeshwar at the foot hills of Brahmagiri mountain ranges. SIEM is approved by AICTE, New Delhi, Govt. of India and affiliated to Savitribai Phule Pune University. SIEM is committed to imparting quality education in an atmosphere that will ensure that its students are confident, self motivated and industry-ready. Towards this goal, we are giving importance to qualified and experienced faculty for effective teaching-learning process, equipping our laboratories with best-in-class machines and instrument and developing overall personality of our students (with emphasis on strengthening the fundamentals of subjects, ability to

work as a team and good communication skill). There is a well formulated regime with a blend of theoretical learning and practical experience. This enables the faculty to guide the students to learn tomorrow. As on date it is fully developed and provides accommodation for office, classrooms, drawing halls, laboratories, workshop etc. Building is already completed and is being used. All Classrooms and Laboratories are designed as per the needs of the students. The Institute library has a good collection of reference and textbooks, periodicals and journals.

The Teaching and Non-teaching Staff of the Institute is a blend of senior experienced and young dynamic faculty members devoted to the noble cause of education. Many of our students were the toppers in the University examination and are in great demand from industries in India and abroad. Our Training and Placement wing tries hard to seek good jobs for our students. In addition to the academics, the students are engaged in sports, co-curricular and extra-curricular activities to provide a healthy relief from rigorous routine. The Institute is having a spacious playground and the modern facilities for both indoor and outdoor games with well-equipped Gymnasium for body building and fitness. Due to able and proper guidance and motivation, many of our students have represented the University at National and International level indifferent sport events.

## All about Civil Engineering Department, SIEM

The Department of Civil Engineering was started in 2010 which offers undergraduate course admitting 120 students. We have well-equipped laboratories which adequately fulfill the requirements of undergraduate course. The department has a team of highly qualified & well experienced, dedicated faculty members, who strive to give their 100 percent. The department has 11 laboratories with State-of-the-art equipments armed with the recent software highly demanded by the employers. The department adopts a positive approach to instill flexible and innovative learning opportunities to students enabling them to build great careers confidently. With a clear vision to be a premier value based department committed to excellence in preparing students for success in the engineering and technology professions through research, experienced-based instruction under the direction of a highly qualified and customer oriented faculty and staff.

**The Student's Chapter of Association of Consulting Civil Engineers (India) run by Civil Engineering Department has been started this year.** All the staff members of the Civil department participate in different short term courses, seminars, conferences, etc. The department has already published over 80 papers of its staff. Civil Engineering department offers the testing and consultancy to the government, semi-government and private bodies.

**DESIRE is another academic endeavor of department to explore the talent of engineering youth.**

## All about DESIRE

**Let us be the Revolution that we want to see in the world.**

The department of Civil Engineering of Sandip Institute of Engineering And Management, Nasik had organized a two day National level techno-Social event named **DESIRE (Starting OfSomething everything)** on 23rd&24<sup>th</sup> of February 2018.

Invitations had been sent to around **200 colleges** including all leading universities and technical institutes. We were hosts to around **3000 students** coming to our institute, from across the country.

This DESIRE is an initiative to bring out the best out of us, the Civil Engineers. The major motive of this revolution is to concentrate

on Innovation and Research and to provide the students with a platform to perform and to create Social Awareness. DESIRE carries out technical as well as non-technical events so as to enhance the minds in the wider areas of the prospects in not only core Civil Engineering but also the upcoming interdisciplinary branches related to it.

DESIRE assures indubitably a step further to provide a better platform for the emerging talents and inquisitive minds to realize their dreams come true, so get clutched and prepare for an amazing Festival. DESIRE brings for you a series of events specially designed to enhance and elevate your technical as well as soft skills and thus make you a complete engineer. Dive into the pool of imagination and bring out the best you can to prove to the world your worth. We welcome you all to our fest and take it to the zenith.

DESIRE was a two day technical festival. It included everything from technical events to gaming and fun events. It was basically a thing away from the regular. Students get bored of the regular everyday college & constants burden of lectures & practicals. So this was a way to think out of the box. It was a way of making the students active in extracurricular activities.

There were basically 6 Technical event & 6 Non-Technical events the tech-fest DESIRE with prizes worth **Rs. 2.5 lakh** to be won.

They were as follows:

- **TECHNICAL EVENTS**

1. **Future Draft** - AutoCAD Competition
2. **Layout** - To draw Layout on Ground
3. **Level It** - Levelling competition
4. **Brick bond** -Making of various bonds of brick without mortar
5. **Re-In-Force** -TO make typical section of reinforcement in beam, slab &column
6. **Aqualim** - To design a water filter using various material provide

- **NON-TECHNICAL EVENTS**

1. **Street Play** - Street play competition.
2. **Quiz** - Quiz competition
3. **Box Football** - Football matches
4. **Box Badminton** - Badminton matches on short size customized court
5. **Volley Ball** - Volley ball matches
6. **Dream -11-Cricket** - Typical cricket team auction
7. **Fun Games** - Different Games event

## INAUGURATION CEREMONY

The inaugural function of DESIRE 18 took place in Seminar hall of Civil Department along with the inauguration of all other tech fest in the institute on 23<sup>rd</sup> February 2018. The guest of honors included famous personalities such as: Er. Milind Tare

The inauguration of the event was done with the lighting of the lamp, accompanied by prayers for the success of the event. After the lighting of the lamp, there were some inspirational speeches from the eminent personalities present on the dais. These words of wisdom from the Honourable guest Er. Milind Tare & also from our own Head of Civil Engineering department Prof. K.L. Bidkar, were overwhelming for the numerous students present in the hall. Dr. R. V.

Kshirsagar, Principal of SIEM also came up to share some of his knowledge with the students who arrived from all over the country.

## FUTURE DRAFT

### a. INTRODUCTION:

CAD is a computer-knowledge based competition. In which AUTO-CAD (Computer Aided Drawing) software being used to draw the given plan of a structure.

Competition will be totally based on knowledge and command on AUTO-CAD.

### Round 1:

To develop a 2D Diagram of given image,

**Duration-** 5 min

### Round 2:

To draw an Isometric drawing of given plan.

**Duration-** 20min

### b. Round 3:

Surprise Round.

### c. Rules And Regulations:

1. Participants should complete the task given by the organizers.
2. Use of pen drive or any other type of hardware is not allowed.

**Entry Fees:** ₹100/- per students.

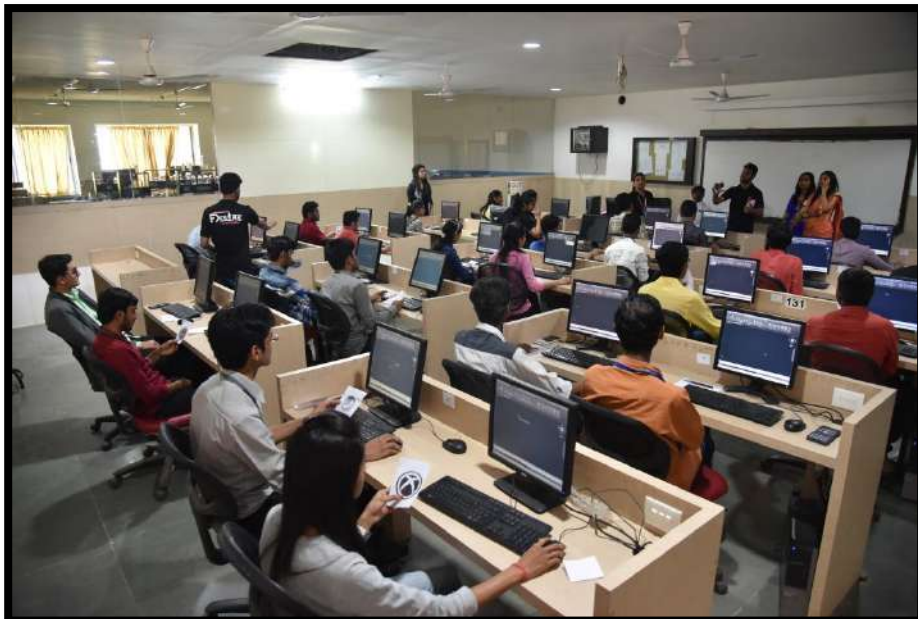

**Prize:** Winner: ₹4000/-

Runner: ₹2000/-

“ Certificates will be given to all participants.”

**b. Student Co-ordinator:**

1. Vijay Gunjal - 9767122445
2. Snehal Kathale - 9527654944

# LAYOUT

**Aim:**To transfer central line plan on Field from given line plan

**Venue:**Ground

4. Event will be conducted in Three Stages

**a. Material per group:(material will be provided by college)**

1. Lime powder, Flyash, (Anyone)
2. Tape-1
3. Layout plan-1
4. Thread-50m
5. Peg-4

**b. Judging Criteria**

1. Time Required to plot the layout (Min).
2. Accuracy of length,width & diagonal.

**b.i. “Id card&Aadhar card compulsory otherwise entry in campus not allowed.”**

**Members in Group:**6 members

**Entry Fee:**₹ 200 Per group

**Rules:-**

1. Time limit is one hour(Per stage)
2. To plot layout in given Scale.

## **Prize:**

**Winner: ₹ 5000/-**

**Runner: ₹ 3000/-**

**Runner: ₹ 2000/-**

**“Certificates will be given to all participants.”**

## **c. Student Co-ordinator-**

1. Ujwal Bagul - 7030839993
2. Plash Chavan – 9422688644

# LEVEL IT

**d. Rules and Regulations:**

**e. The event will be conducted in three stages**

**f. Stage.1- Fly levelling**

5. Rules and Regulation ( max time : 10 minutes)

1. In This Stage The participant has to fly the level from Bench Mark to given point .
2. Temporary adjustment will be done by the event co-ordinators. Participants has to take the observation using Auto Level / Dumpy level
3. Aim – find RL of given point.

**a.i.1.a. Stage 2- Compass Survey**

6. Rules and Regulations(max time: 10 minutes)

1. In this stage, Participant has to survey one closed traverse with chain / tape compass.
2. Find Fore Bearing & Back Bearing to be observed.
3. Calculate Included Angle of traverse.

**Stage 3- TACHEOMETRY**

**RULES AND REGULATION( time : 15 minute)**

1. The problem will be given on the ground.
2. Participant has freedom to use any formula and logic.

### **Points to be noted:-**

1. Judging Criteria: Accuracy, Time limit, Precision.
2. General Rules: One Winner from each stage will be selected.
3. Team Specification : Maximum Three members can Participate in one team

**a.i.Id card & Aadhar card compulsory otherwise entry in campus not allowed.**

**Entry Fees: Rs.300/- per Team**

**Prize: Winner: ₹5000/-**

**Runner: ₹3000/-**

**Runner: ₹2000/-**

**Certificates will be given to all participants.**

### **b. Student Co-ordinator-**

1. Prashant Hiray - 7350218691
2. Shelke Dhanraj - 8308552016/7066661447
3. Nilesh Mohite - 7028501073

**Subject: Appeal for sponsorship for “DESIRE-2018”**

Sir,

**Association of Civil Engineering Students (ACES)**, Sandip Institute of Engineering & Management (S.I.E.M.), Mahiravani, Nasik is organizing National Level Techno-Social event on 23<sup>rd</sup>& 24<sup>th</sup> of February 2018.

Invitations will be sent to around 200 colleges across India including all leading universities and technical institutes. We will be the host to around 5000 students coming to our institute, from across the country. We will be having various events within this **Techno- Social festival-DESIRE**.

Last year, with kind support of sponsors, we have successfully organized DESIRE'16 with more than 3500 participants from different parts of country.

As you are aware that such grand technical endeavor organized by the students cannot come into existence without the support of patrons like you, the students of civil engineering branch of this institute are approaching you with a great hope for the sponsorship. The details of the sponsorship are enclosed herewith.

Thanking you in anticipation

Yours Sincerely,

**Sagar Phadol**
