g. Description of the event :

A awareness program on Career in Design was arranged for TE and BE students of Mechanical department on 02 January 2014. Mr. Sameer Latkar, Director, IFS Academy was guided the students beautifully on Design Career to students. They fill the gap between the mindset of students about design career and the actual requirements from industries, which help to students to change their viwes about the same. Mr Latkar also guided students about the importnace of Software tools required in industry and how students should prepare for these tools. He also assured the students that he will guide students when students feel confusion regarding their career.
