Expert Talk on “Guidelines for preparation to appear for Rishabh Instruments campus placement drive”

1. **Event Title:** Expert Talk on “Guidelines for preparation to appear for Rishabh Instruments campus placement drive”.
2. **Event Date:** 24th Jan, 2020
3. **Event Conduction Duration:** 1.5 hrs (10.00 AM to 11:30 AM)
4. **Event Venue:** TE E&TC Classroom
5. **Event Resource Person Details:** Mr Anjum Ansari (Ex Employee of Rishabh Instruments, Nasik)
6. **Name of Event Coordinator :** Prof A K Mishra & Prof Piyush Desai.
7. **Expected Audience:** Final year students of E&TC & Electrical.
8. **Number of Students:** 70
9. **Event Objectives & Outcomes:**
 - 1) Mr Anjum Ansari during his interaction reiterated that if students are not prepared well, then they could miss the best chance to get into one of the best companies, which offer them the best salary packages in the industry and also opined that campus placements are not viable until and unless students are industry ready. .
 - 2) He also stressed on the fact that an aspirant must know in detail about the company visiting the campus but the most important thing in selection process was always going to be a candidate's knowledge of engineering topics that he/she has studied for last 2-3 years.
 - 3) He also shared basic guidelines which includes formal dress code, being on time, staying confident and carrying a well- structured resume.
