

**Sandip Foundation's
Sandip Institute of Engineering and
Management, Nashik Department of
Computer Engineering
Academic Year 2019-20 Sem - I**

Report on Guest Lecture

- 1. Event Title:** Expert Lecture on “ Engineering economics”
- 2. Event Date:** 23/09/2019 (Monday)
- 3. Event Conduction Duration:** 1 day (Timings: 10 am to 12 pm)
- 4. Event Venue:** T.E. Classroom , Computer Department, SIEM.
- 5. Event Resource Person Details:** Prof. Ajay Shukla, METCOE ,Nashik.
- 6. Name of Event Coordinator:** Dr. Prof. K.C. Nalawade
- 7. Expected Audience:** Students of Third year Computer Engineering Department.
- 8. Number of Participants:** 38
- 9. Course Content:** analyze cost / revenue data and should be able to do economic analyses in the decision making process to justify or reject alternatives / projects on an economic basis for an organization

Event Objectives & Outcomes:

10. Objectives:

To Prepare engineering students to analyze cost / revenue data and should be able to do economic analyses in the decision making process to justify or reject alternatives / projects on an economic basis for an organization

Outcomes: Perform and evaluate present worth, future worth and annual worth analyses on one of more economic alternatives Be able to carry out and evaluate benefit/cost, life cycle and breakeven analyses on one or more economic alternatives.
