

**Sandip Foundation's
Sandip Institute of Engineering and Management, Nashik
Department of Computer Engineering
Academic Year 2017-18**

Report on Workshop

1. Event Title: Workshop on C, C++, Python

2. Event Date: 23/06/2017 & 24/06/2017

3. Event Conduction Duration: 6 hrs (10:00 to 5:00)

Event Venue: Internet lab, Computer Dept., SIEM.

Event Resource Person Details:

Prof. A.R. Gaidhani

Prof. J.N. Rajole

4. Name of Event Coordinator : Prof. A.R. Gaidhani

5. Expected Audience: Students of S.E.

6. Number of Students: 25.

7. Event Objectives & Outcomes:

Objectives:

- a. Understanding the concepts of Programming languages.
- b. Difference between all C, C++ and Python.
- c. To Understand and solve the programming problems.

Outcomes:

Students of Second and Final year got the concepts of C, C++ & Python Programming language. To able to analyse different problems and to apply suitable algorithm and data structure. To use effective data structures for solving various Computer Engineering problems.
