Sandip Institute of Engineering and Management, Nashik
Department of Computer Engineering
Academic Year 2017-18**

Report on Expert Lecture

- 1. Event Title:** Expert Lecture on Software Development Life Cycle
- 2. Event Date:** 22/08/2017 Tuesday
- 3. Event Conduction Duration:** 2 h (13:00 to 15:00 h)
- 4. Event Venue:** Seminar Hall of Computer Department, SIEM.
- 5. Event Resource Person Details:**
Mr. Rajesh D. Pahadi,
Project Manager, Oxitech Solutions, Nashik.
- 6. Name of Event Coordinator:** Mr. Amit G. Patil
- 7. Number of Students:** 114 students of T.E. & B.E.
- 8. Event Objectives & Outcomes:**

Objectives:

- a. Understanding the Software Development Life Cycle.
- b. Different opportunities other than the software development.

Outcomes:

Detail about Software Development Life Cycle and job opportunities related to the different parts of the software life cycle. Usually students scare about the software developmet, but Mr. Rajesh Pahadi explains the different opportunities of the job other than the software development. Sales, Testing, Networking, System Administrator, and Database Administrator are few of the opportunities for the students. He also covers the different phases in the software development, which is useful for the students while making projects.

8. Event photos which must include photos of Inauguration, felicitation, event conduction and valedictory ceremony. (If applicable)
