AY 2021-22				
Sr. No	**Name of Students**	**Title of the conference**	**Title of paper**	**National/International**
1	Harshal Nerpagar, Prashant Abhale, Raghav Karivadekar, Saurabh Gunjal	2nd International Conference on Emerging Trends in Engineering and Technology (ICETET) 2020	Design & Development of Magnetic Mobility Scooter	International
2	Gaurav Yeowle, Sarvesh Navandar, Prashant Wagh, Payal Wagh	2nd International Conference on Emerging Trends in Engineering and Technology (ICETET) 2020	Design Of Cutting Machine And Improvement In Rejection On Foam Machine	International
3	Mayur Girase, Sanket Pawar, Vaibhav Panchal, Vikas Patole	2nd International Conference on Emerging Trends in Engineering and Technology (ICETET) 2020	Design Of Portable Hydraulic Extraction Mechanism	International
4	Digambar Gawande, Sameer Thete, Vishal Bodke ,Ganesh Bhagat	International Conference on Emerging Trends in Engineering and Technology 2021 (ICETET-2021)	A Review on Experimental Investigation of Machining Parameter for Tool Wear and Tool Life of Titanium Alloy (Ti6AL4V) By Using NOX Coolant	International
5	Anway Thete, Shubham Nerkar, Mohan Ahire, Ajinkya Khairnar	International Conference on Emerging Trends in Engineering and Technology 2021 (ICETET-2021)	A Review paper on Design and Fabrication of chassis Dynamometer for Electric Two-wheeler	International
6	Vinod Mule, Kunal Chaudhari, Shubham Vaidhkar, Rahul More,	International Conference on Emerging Trends in Engineering and Technology 2021 (ICETET-2021)	A Review on Optimization of Machining Parameters for Surface Roughness of Titanium Alloy (Ti-6Al-4V) for Turning Operation by Using NOx Coolant	International
7	Mr. Akshay Kale, Mr. Amey Deshmukh, Mr. Bhavesh Desale, Mr. Harshal Chudhari	International Conference on Emerging Trends in Engineering and Technology 2021 (ICETET-2021)	: Solution of 2 dimensional steady and unsteady heat conduction equations by using Finite Difference method.	International
8	Mr. Sohail Tadvi, Mr. Swapnil Deshpande, Mr. Shreyas Tayade, Mr. Rushikesh Zalke	International Conference on Emerging Trends in Engineering and Technology 2021 (ICETET-2021)	Solution of One Dimensional Linear Convection Equation using Different Finite Difference method.	International
9	Mr. Vaibhav Harshichande, Mr. Prathemesh Belhekar, Mr. Sandip Rajput, Mr. Sandip Pawar	International Conference on Emerging Trends in Engineering and Technology 2021 (ICETET-2021)	Fabrication and analysis of Natural Air Ventilation Nozzle	International
AY 2020-21				
Sr. No	**Name of Students**	**Title of the conference**	**Title of paper**	**National/International**
1	Mansi Deshpande, Sarthak Patil, Kunal Bhandure, Kunal Gaikhe	2nd International Conference on Emerging Trends in Engineering and Technology (ICETET) 2021	Automated Solar Panel Cleaner	International
2	Ketan Pitrubhaktt,Omkar Kulkarni,Vishwjit Patil,Mayank Gajbhiye	2nd International Conference on Emerging Trends in Engineering and Technology (ICETET) 2021	Design & Performance Evaluation of Eco-Cooler byVarying Different Parameters	International
3	Sumit Nathani,Amey Pardeshi,Rahul Khairnar,Vaibhav Waghmare	2nd International Conference on Emerging Trends in Engineering and Technology (ICETET) 2021	Design, Development and Testing of Semi-automatic Dishwasher	International
4	Bhiraj Sonwane,Aniket Shitole,Milind patil,Yatin Sarode	2nd International Conference on Emerging Trends in Engineering and Technology (ICETET) 2021	Design and Development of Machine Generating Water from Air	International
5	Prashant M.Gaikwad, Yash P.Chaudhary, Roshan T. Pavase, Rahul A. Dabhade	2nd International Conference on Emerging Trends in Engineering and Technology (ICETET) 2021	Four Wheel Steering System Zero Radius Turning Vehicle	International
6	Pratik R. Jadhav, Yogesh D. Kirtane, Ajay K. Kulkarni, Akash D. Dhongade	2nd International Conference on Emerging Trends in Engineering and Technology (ICETET) 2021	Design and Manufacturing of Auto Removable Crop Protection Shed and Its Prototype	International
7	Willson F. Ruptake, Anas S. Peerzada, Kalpesh.P. Patil, Himanshu.B. Pagar	2nd International Conference on Emerging Trends in Engineering and Technology (ICETET) 2021	ENHANCEMENT IN POWER PRESS SPACER TOOL	International

Sr. No	Name of Students	Title of the conference	Title of paper	National/International
8	Vaibhav K. Bachhav, Sumit V. Sansare, Sumit B. Bansode, Tushar B. Bhagat	2nd International Conference on Emerging Trends in Engineering and Technology (ICETET) 2021	Design and Manufacturing of Double End Drive Machine for Exhaust Assembly System	International
9	Mr. Dipak Maher, Mr. Mahesh Mankar, Mr. Ketan Pitrubhakt, Mr. Adil Sayyad	International Conference on Emerging Trends in Engineering and Technology 2020 (ICETET-2020)	Performance and Emission Analysis of a Compression Ignition Engine Using Different Biofuel Blends	International
10	Mr. Praful Deshmukh, Mr. Virendra Nikam, Mr. Danish Shaikh, Mr. Chetan Jadhav.	International Conference on Emerging Trends in Engineering and Technology 2020 (ICETET-2020)	Design and Fabrication of Major Losses Test Rig	International
11	Mr. Ujjwal .s. suryavanshi, Mr. Pratik .N. Borse, Mr. Ajinath .R. Jadhav, Ketan M. Joshi	International Conference on Emerging Trends in Engineering and Technology 2020 (ICETET-2020)	Optimization Of Parameters Of Cnc Plasma Cutting Machinefor M.S. Cutting	International
AY 2019-20				
Sr. No	**Name of Students**	**Title of the conference**	**Title of paper**	**National/International**
1	Pratik D. Gudaghe, Sameer A. Kidey , Vaibhav B. Dhongade, Pushpak K. Deshmukh	International Conference on Emerging Trends in Engineering and Technology (ICETET) 2020	Design And Construction of Solar And Wind Hybrid System	International
2	Avinash Shimpi, Nikhil Pawar ,Krutik Panchal, Vishwadip Pawar	International Conference on Emerging Trends in Engineering and Technology (ICETET) 2020	Design and Development of Material Handling Robot	International
3	Prajwal S Kolhe, Ubaid M Ansari, Kunal S Varade, Rohan R Malode	International Conference on Emerging Trends in Engineering and Technology (ICETET) 2020	Design and Development of Fire Fighting Robot and Android Controller	International
4	Nikhil Avhad, Hansraj More, Pratik Mahajan, Mustak Ansari	1st International Conference on Emerging Trends in Engineering and Technology (ICETET) 2019	Design and Manufacturing of Height Adjustable Manhole	International
	Aniket Satpute, Kaiwalya Zankar, Sanjay Verma, Tushar Mahale	1st International Conference on Emerging Trends in Engineering and Technology (ICETET) 2019	Frictionless Energy Generation Using Flywheel	International
	Chetansing N. Patil, Vaibhav Sangale, Rohit More, Abhishek Dabhade	1st International Conference on Emerging Trends in Engineering and Technology (ICETET) 2019	Design and Manufacturing of Equipment for Making Sieve Slurry	International
5	Tejas Makani, Ashutosh Aher, Vijay Sanap, NIshant Borse	1st International Conference on Emerging Trends in Engineering and Technology (ICETET) 2019	A Review On Optimization Of Machining Parameters For Surface Roughness In Turning Operation Of Titanium Alloy.	International
6	Shubhangi Doltade, Shital Shinde, Pooja Jadhav, Shivani Suryavanshi	1st International Conference on Emerging Trends in Engineering and Technology (ICETET) 2019	A Review on Optimization of Machining parameters of Titanium alloy (Ti-6Al-4V) For Tool life in Turning Operation.	International
