

Faculty Name: Pavan P Vispute

Designation: Assistant Professor

Mail ID: pavan.vispute@siem.org.in

Contact No: 9420600601

**BIO**

I, **Pavan Vispute** am working as an Assistant Professor in the Civil Engineering Department of SIEM, Nasik, India. I got my Masters and now doing PhD. in Civil Engineering. My research interest is in Infrastructure and Structural Engineering. My research articles have been published in many international journals. I was successfully running a coaching institute for more than 8 years before joining SIEM and I have experience of teaching more than 15 different subjects of Civil Engineering at Bachelors level. According to me, teaching is my passion and I love to teach difficult concepts in the easiest way.

Qualification:

1. BE (Civil Engineering)
2. M.E(IEM)
3. PhD (Pursuing)

Paper Publications details:

1. International Journal: 06
2. International Conference: 00
3. Article: 00

Area Research Work:

1. Rural Road Transportation

Experience:

1. Teaching experience : 8.3 Years
2. Industry experience : 00 Years

Subjects:

1. Engineering Mechanics
2. Mechanics of Solids
3. Fluid Mechanics
4. Structural Analysis,
5. Design of RCC Structures
6. Design of Steel Structures
7. Estimating & Costing
8. Dams and Hydraulic Structures etc.
