REPORT ON AWARENESS PROGRAM THROUGH EXPERT LECTURE

Title:	"Why should coders have all the fun – Can Civil Engineers earn salaries like IT engineers without changing their field?"
Duration:	10 am to 12 pm
Venue:	Civil Class Room A111.
Name of Event Coordinator:	• Prof. (Dr.) R. T. Pardeshi, IQAC Faculty Representative , Assistant Professor, Department of Civil Engineering, SIEM, Nashik. • Prof. A. L. Shimpi, Purchase Coordinator, Assistant Professor, Department of Civil Engineering, SIEM, Nashik.
NAAC Criteria:	2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences 2.2.1 - The institution assesses the learning levels of the students and organizes special programmers for advanced learners and slow learners

Day & Date of Visit:	Monday 27/02/2023
Class:	SE, TE, BE Civil Students (All Batches)
Chair Person:	Prof. K.A. Salunke, HoD Civil, Assistant Professor, Department of Civil Engineering, SIEM.

Objectives:

The purpose was to comprehend the need of initiative for innovation and significance of advance software for Civil Engineering applications.

Summary:

1. The program was start with Ganesh Puja.

2. Prof. K. A. Salunke (HoD Civil) had welcomed the Expert Lecturer and all the students.

3. Prof. R. T. Pardeshi felicitated Chair Person and Expert Lecturer.

4. Chair Person was given speech explaining the importance of Software in development of Civil engineering students overall growth.

5. After that, Expert presented the emphasis of the Software in development of Civil engineering students overall growth and what opportunities will opens after software learning in the field of Design and Analysis of Tall structures, Silos, Chimneys, etc.?

6. Expert was felicitated with small token of Love.

7. After, all participants and faculties of Civil Engineering Department were gathered for group photo and vote of thanks.

Outcome:

1. Students were learnt the concept of "Why should coders have all the fun – Can Civil Engineers earn salaries like IT engineers without changing their field?"

2. Students were motivated for learning Advance Software through this organized special program.
