- 3. Event Conduction Duration:** 1pm onwards
- 4. Event Venue:** Electrical Department, SIEM
- 5. Name of Event Coordinator:** Prof. Joydeep Sarkar, Dept. Alumni Coordinator
- 6. About the Event:**

The Electrical Department, Sandip Institute of Engineering and Management, Sandip Foundation, Nashik organized a Young Entrepreneurs Alumni Meet on June 30, 2018 inviting alumni of Electrical department who have ventured into start-ups into various concepts.

It was being organized to identify and promote talents of Alumni Entrepreneurs in areas including manufacturing, tourism, education, and electrical engineering. The idea was to bring together our alumni and provide them a medium of interaction where they can initiate business partnerships.

The Alumni interacted with Hon. Chairman, Dr. Sandipkumar Jha and Hon. Principal, SIEM Prof. (Dr.) R. V. Kshirsagar, where they shared their ideas about possible business opportunities in the market. The alumni promised the department to provide technical and interactive support for student development.

The students were felicitated by Prof. H.R Kulkarni, HoD Electrical Department and other faculties of department. The students shared their views about necessary improvements that can be inducted in the department. Feedback forms were filled by them regarding curriculum. The event was concluded with Get-together snacks.

Department Feedback and Interaction with Dr. Hanuman Prasad and Dr. Kishor Bhadane

Interaction with Dr. R V Kshirsagar, Principal, SIEM
