## **DEPARTMENT OF ELECTRICAL ENGINEERING**

### Session Event Report

### **Expert Talk on Fundamentals of Microcontroller and its Application**

By Dr. Mangesh Nikose, Associate Professor, Electrical & Electronics Engineering  
Dept. School of Engineering and Technology, Sandip University.

Department of Electrical Engineering organized a session on Fundamentals of microcontroller and its application, for faculties and SE students. The session was focused on application and programming of microcontroller.

- 1. Event Date** : 09 April 2022
- 2. Event Mode** : Offline
- 3. Name of Event Coordinator** : Prof. N. V. Sulakhe
- 4. Expected Audience** : Faculties and Students
- 5. Number of Participants** : 66

#### **Objectives:-**

- To increase the interest towards subject.
- To increase the understanding of the subject from an application point of view.
- To develop skills of programming in the area of subject.
