14th December is celebrated as **National Energy Conservation Day** every year in India. The Bureau of Energy Efficiency (BEE) of India implemented the Energy Conservation Act in 2001. The true meaning of energy conservation is discussed with the student and other attendees and makes them aware of how to avoid unnecessary use of energy and to use at least power so that energy sources can be saved for future uses. The benefits of energy conservation plans and their effective implementation is discussed in this event. The quiz competition was conducted for the students of SIEM .

This activity was coordinated by the **Prof. S. A. Gade**, Faculty, SIEM under the guidance of **Dr. D. P. Patil**, Principal, SIEM. All the Deans, HOD's and faculty members of SIEM were present for the session.
