The event is organized to celebrate “National Pollution Control Day” on 02.12.2022 at 02:00 P.M. The main objective of the National Pollution Control Day Celebration program is to create awareness about the various types of pollutants and to control the pollution making improved of our ecosystems. The program started with a prayer song followed by the welcome address given by Dr. S. A. Gade, Associate Professor- SIEM. A pollution awareness lecture on various sources of pollutants, their side effects, and prevention & control methods was delivered by Various faculties. Approx 200 FE, SE, TE, and BE students and 40 faculty members actively participate. From this celebration day program, all the participants gathered knowledge about the green environment. They also take an oath of reducing the various type of pollutants to make a green and clean environment. The photography competition on the topic “Pollution” was organized and cash prizes were given to the winner and runner-up.
