#### About the Event:

Every year Sandip Institute of Engineering & Management, Nashik Celebrates the “World Environment day” on 5<sup>th</sup> June. This year also Institute has organized the expert session and tree plantation event on the occasion of World Environment Day in association with Institute of Engineers (India), Maharashtra State Centre at Civil Engineering dept. on 5<sup>th</sup> June 2023. All the faculties, students from Sandip Group of Institution participated in this event.

#### Objectives:

1. To encourage, awareness and action for the protection of the environment.
2. To promote alertness regarding scorching issues of environment pollution, drastic climatic changes, green house effect, global warming, black hole effect etc, among human beings on the planet Earth.

### Event Summary:

- On the event day students and faculties from all the institutions were gathered in SIEM, Civil Seminar hall. Chief guest Mr. Shahji with his team and Mr. Vipul & Mr. Narendra from Indian Institute of Engineers (India), came at event location with Dr. D. P. Patil, Principal, SIEM. & Dr. L. K. Toke, Dean Administration.
- Prof. Sayali Bahalkar took the charge of anchoring and delivered welcome speech and started briefing the event.
- After Welcome speech, Felicitation of all the guests was done by Dr. D. P. Patil.
- After felicitation program, Mr. Shahji, enlighten the gathering with his words of wisdom, and delivered his expert session on the topic “Harit Sanskar”. All the participants enjoyed the session and get motivated for the protection of environment and solve the environmental issues.
- After the wonderful speech by Mr. Shahji, one of his team member Miss. Velina Shah (10years old) carried out the fantastic game of indentifying the type of seeds among variety of seeds with participants. She has an incredible skill of identifying 65 seeds type. Participants enjoyed this activity of seeds identification.
- After expert session, all the participants went to ground floor near the civil dept entrance area for the next activity of tree plantation.
- Mr. Shahji shared the knowledge of tree plantation among all the participants and planted a very first tree by his hand.
- After that Members from IEI Mr. Vipul & Mr. Narendra came forward and planted another tree.
- Simultaneously group of students and faculties done the tree plantation in surrounding area.
- Lastly program was concluded by vote of thanks by Prof. Ravindra Patil.
