1. **Event Title:** Expert Talk and Hands-on Training on "3-D Printing

Technology" at Sandip Global School and Jr. College, Nashik.

2. **Event Date:** 10/08/2023

3. **Event Conduction Duration:** 010:00 Am to 03:00 pm

4. **Event Venue:** Sandip Global School & Jr. College, Nashik

5. Event Resource Person Details: Prof. S B Ambekar and Prof. K A Joshi

6. Name of Event Coordinator: Prof. K A Joshi

7. **No of Participants:** 184 students

Report:

The Department of Mechanical Engineering of Sandip Institute of Engineering & Management conducted the expert lecture on "3D Printing Technology" for 11th and 12th Students of Sandip Global School and Jr. College, Nashik. The expert lecture was delivered by Prof. S. B. Ambekar and Prof. K.A. Joshi. This session explained 3D Printing technology used recently. Digital fabrication technology also referred to as 3D printing or additive manufacturing, creates physical objects from a geometrical representation by successive addition of materials. 3D printing technology is a fast-emerging technology. Nowadays, 3D Printing is widely used in the world.
