

1. Event Title: Eco Friendly Ganapati Decoration Competition (Online) organized by Mechanical Engineering Students Association (MESA)

2. Event Date: 23rd to 26th September 2023

3. Event Conduction Duration: 3 Days

4. Event Venue: Online through google form

5. Name of Event Coordinator: Prof. S. B. Ambekar

6. Name of Student Event Coordinator: Mr. Kaustubh Patil

7. About Event:

The Mechanical Engineering Students Association (MESA) of Sandip Institute of Engineering & Management organized a unique and eco-friendly Ganapati Decoration Competition. The competition aimed to promote sustainable and environmentally friendly ways of celebrating the beloved festival of Ganesh Chaturthi while showcasing the creative talents of the students.

Event Details: The Eco-Friendly Ganapati Decoration Competition was held online, using Google Forms as the platform for submissions. This digital format allowed participants to submit their entries conveniently and safely from their homes. The event spanned from September 23rd to September 26th, 2023, providing participants with ample time to create their eco-friendly Ganapati decorations.

Objectives:

Promote eco-friendly practices in celebration and decoration during festivals.

Encourage creativity and innovation among students.

Create awareness about the importance of sustainability and environmental conservation.

Participation: The competition was open to all students of Sandip Institute of Engineering & Management. Participants were required to create eco-friendly Ganapati decorations using sustainable materials and methods. Each participant could submit one entry for the competition.

Winners: After careful deliberation by the judging panel, the winners of the Eco-Friendly Ganapati Decoration Competition were announced on September 27th, 2023, through the official MESA social media channels and website.

1st Place: Kalpesh Surywanshi & Sarthak Shelke

2nd Place: Abhay Gaikwad & Pravin Bhoje

3rd Place: Vaishnavi Somvanshi & Kumud Talele

Conclusion: The Eco-Friendly Ganapati Decoration Competition organized by MESA, Mechanical Engineering Department of Sandip Institute of Engineering & Management, was a resounding success. It not only provided a

platform for students to showcase their creativity but also promoted the importance of eco-friendly practices during festivals. We extend our heartfelt congratulations to all the winners and participants for their enthusiasm and commitment to sustainability.

We would like to thank everyone who participated, the organizing committee, the judging panel, and all those who supported and contributed to making this event a meaningful and eco-conscious celebration of Ganesh Chaturthi.
