Participants – Students of SE, TE, Final year E & TC Engineering, SIEM

Event Coordinator - Prof. Y. R. Risodkar, Dr. M. K. Sangole & Student Members of S. A. E. T Committee.

Objectives: Teachers' Day is an annual event celebrated in honor of educators who play a crucial role in shaping the future of our society. On September 5th, 2023, SIEM E & TC Dept organized a grand Teachers' Day celebration to express our gratitude and appreciation to our dedicated and hardworking teachers. The event was a resounding success, bringing together students, teachers, and parents in a spirit of camaraderie and gratitude. Teacher's day is celebrated on 5th September is to commemorate the birth anniversary of Dr Sarvepalli Radhakrishnan. He was born on 5th September 1888 and was a great teacher, politician, author, philosopher; and also received Bharat Ratna..

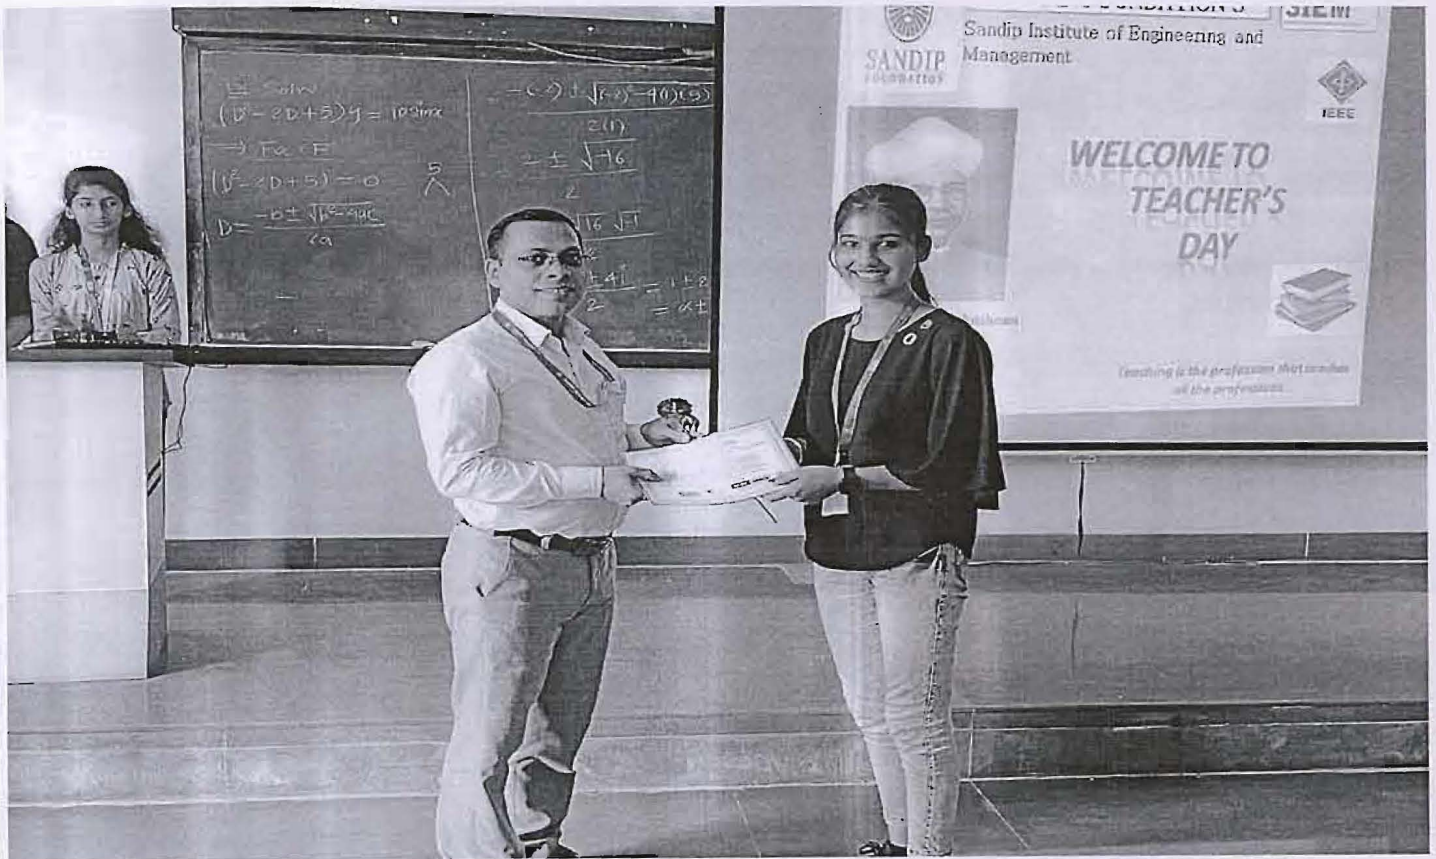

Outcomes

- Students presented speeches, poems, and songs dedicated to their teachers. This emotional start set the tone for the day.
- In a heartwarming session, students had the opportunity to interact with their teachers individually. They shared their personal experiences, thanked their teachers for their guidance, and presented hand-made cards and gifts as tokens of their appreciation.
- The SIEM E & TC Dept was beautifully decorated with colorful banners, balloons, and posters expressing heartfelt messages of thanks to our teachers.
- Students from various grades put on a series of captivating cultural performances, including dance, drama, and musical acts. These performances showcased the talents of

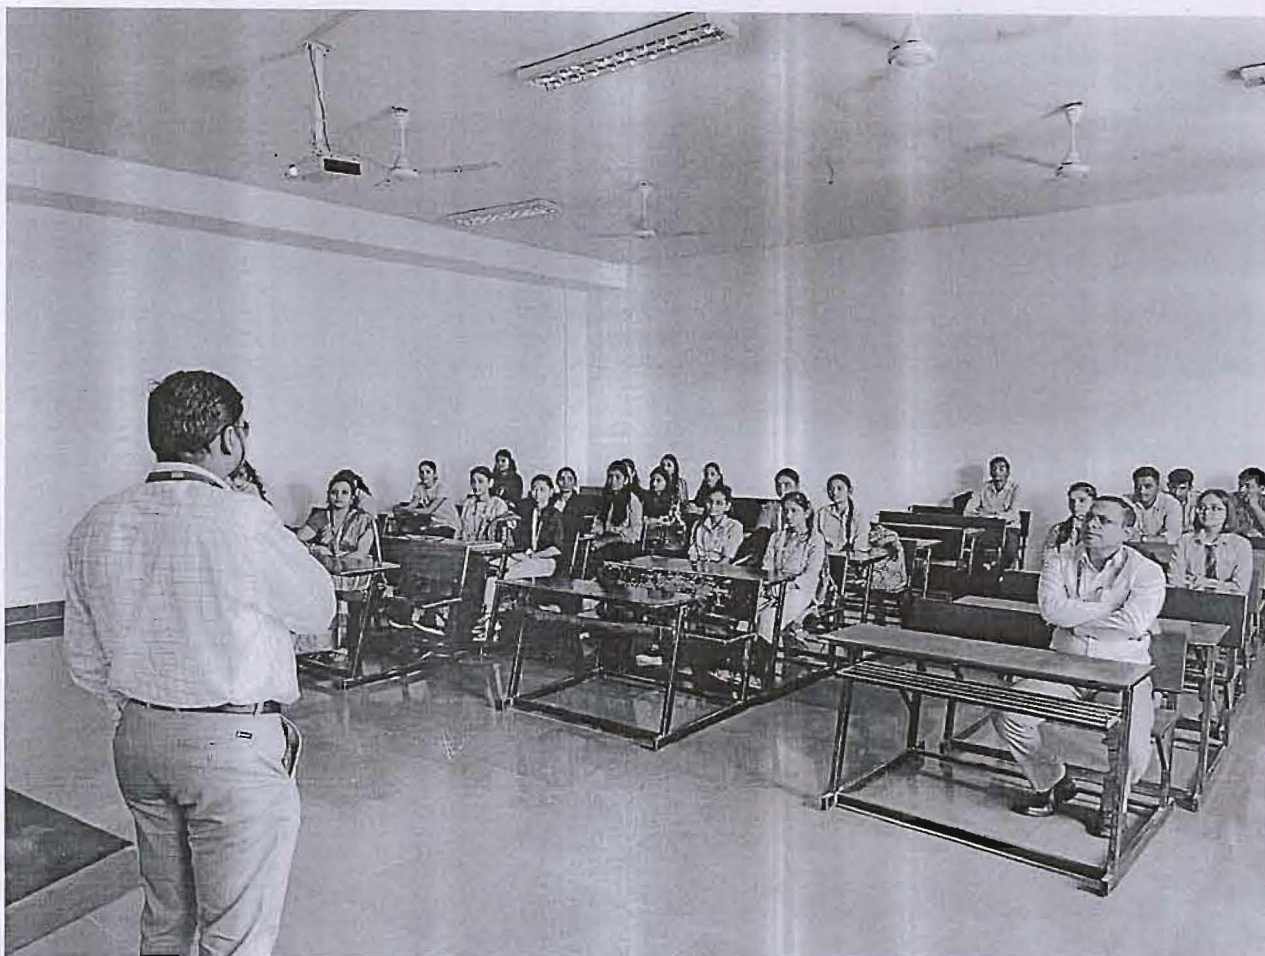

our students and were met with thunderous applause from the audience.

- it was evident that the day had not only honored our teachers but had also strengthened the sense of unity and purpose within our SIEM community.
