## Event Summary:

Sandip Foundation's, Sandip Institute of Engineering & Management, Department of Civil Engineering was organized "**Teacher's Day Event**" on **5<sup>th</sup> September, 2023**

India observes Teachers' Day on September 5 in honor of Dr. Sarvepalli Radhakrishnan, who was born on this date in 1888 and went on to serve as the nation's first vice president and president, as well as a scholar, philosopher, and recipient of the Bharat Ratna award.

All students, faculty members, and non-teaching staff were invited to attend this event by the department of civil engineering. Hall nearer to the faculty room were selected and decorated for the event. All students organized the event for the faculty members. HoD. Dr. Bharat N. Mulay was addressed as the chief guest for this event. The program was started with Saraswati Vandana by the members of student's association. Then the head of the department Dr. Bharat Mulay Sir narrated the of history behind the celebration of teacher's day and the role of a good teacher to shape life of a student. Then all the staff members were felicitated by with flowers by students.
