Dt.: 24th April 2022

Department: Electrical

Academic Year 2021-22, Semester - II

Report of "Engineering Applications of MATLAB"

1. Event Title: Engineering Application of MATLAB

2. Event Date: 18th April to 23th April 2022

3. Event Conduction Duration: 7 hrs. (10:00AM to 5:00PM)

4. Event Venue: Advance microcontroller lab Electrical Department

5. Event Resource Person Details: Prof. Sharmila M. (M.E. Power System) Asst. Prof., SITRC, Nashik

6. Name of Event Coordinator: Prof.Pravin Shinde

7. Expected Audience: 30

8. Number of Participants: 22
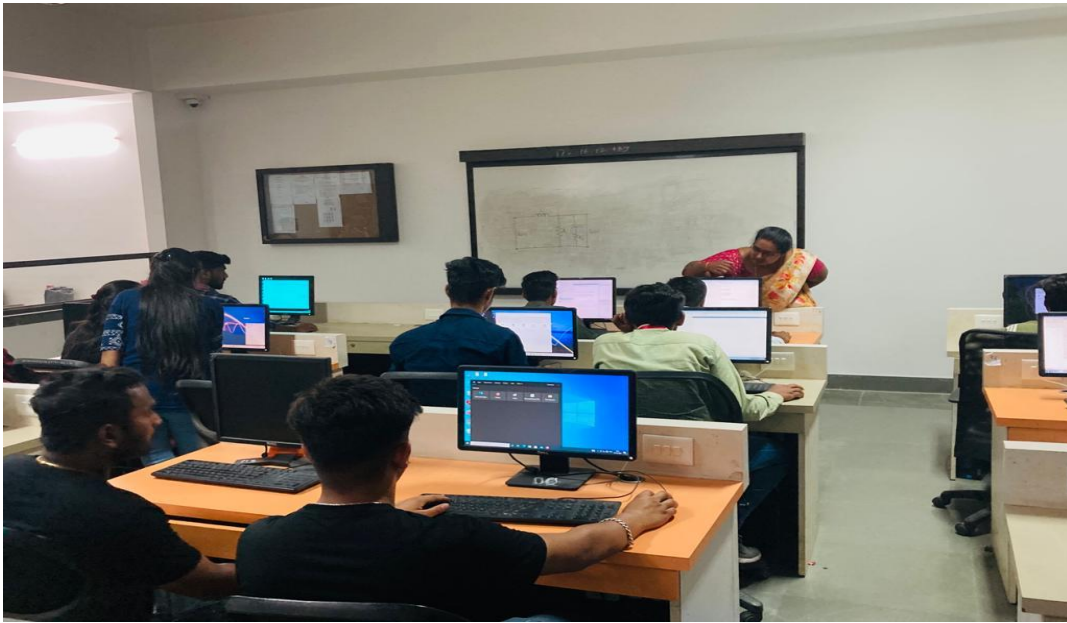

9. Event Objectives & Outcomes:
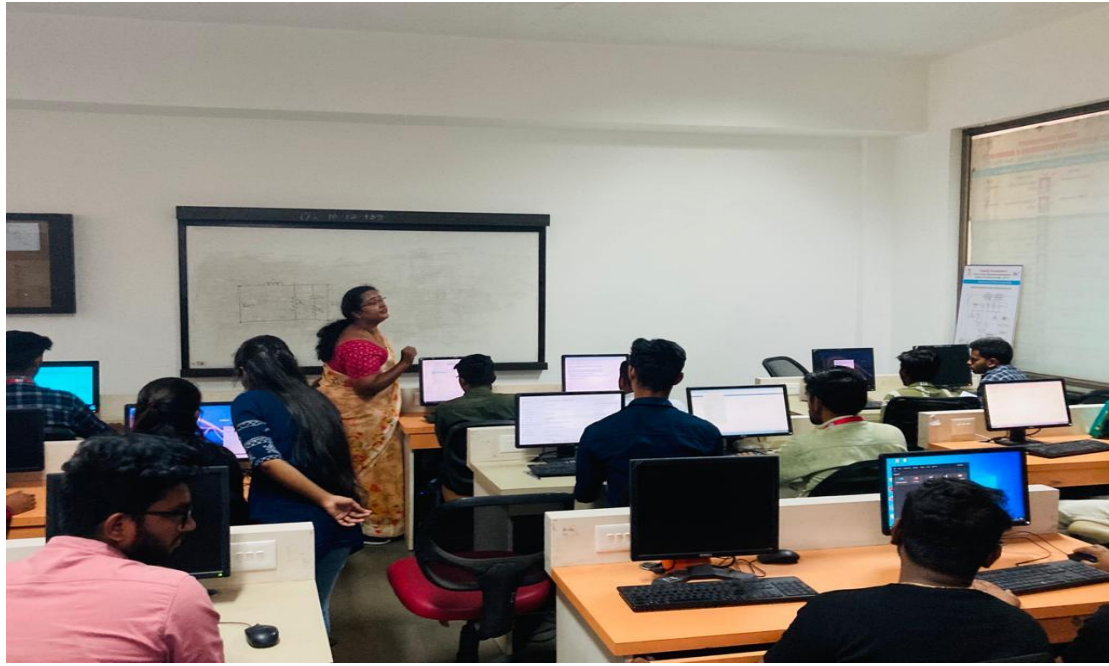

Objectives:-

- To increase the awareness and advantages of using MATLAB.
- To understand the basic concept and programming and simulation.

Outcomes:
- Student understood the MATLAB software.

10. Event Photos:
