

Sandip Foundation's
Sandip Institute of Engineering and Management,
Nashik Department of Mechanical Engineering
Academic Year 2023-24

- **Event Title:** BE Industrial Visit at JP Enterprises, Nashik
- **Event Date:** 06/10/2023
- **Event Conduction Duration:** 11.30 AM to 02.00 PM
- **Event Venue:** Plot No ,F, 20, MIDC, Satpur Colony, Nashik, Maharashtra 422007
- **Event Resource Person Details:** Mr. Pradeep Sharma (HoD, Development)
- **Name of Event Coordinator:** Prof.(Dr.) Kamlesh Paswan
- **Event Objective & Outcome:**

On 6th Oct 2023, a group of 47 BE students of the Mechanical Engineering Department had the opportunity to visit J.P. Enterprises, a renowned injection moulding plant located in Satpur, Nashik (Maharashtra). The visit aimed to provide students with practical insights into the injection moulding industry and its processes.

Purpose of the Visit:

The primary objectives of our visit were:

- To understand the injection moulding process from raw material to finished product.
- To observe the state-of-the-art machinery and technology used in the plant.
- To gain insights into quality control and safety measures implemented in the facility.
- To interact with industry professionals and gain real-world insights.

Outcomes:

The visit to J.P. Enterprises was an enlightening experience for all students. It allowed students to bridge the gap between theoretical knowledge and practical application in the field of injection moulding. Students gained a deep appreciation for the complexities and precision involved in the manufacturing of plastic products. This industrial visit has not only expanded our understanding of the injection moulding industry but also provided students with valuable insights into career possibilities within this sector. We are grateful to J.P. Enterprises for their hospitality and willingness to share their expertise with us.
