**Objectives:**

UNESCO states, "International Women's Day is an occasion to celebrate the progress made towards achieving gender equality and women's empowerment but also to critically reflect on those accomplishments and strive for a greater momentum towards gender equality worldwide. It is a day to recognize the extraordinary acts of women and to stand together, as a united force, to advance gender equality around the world."

8th March, considered as International Women's Day. This day brings many things for women – a cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration, and a time to honour, loved and admired. To honour womanhood, E&TC Department of Sandip Institute of Engineering & management Nashik has celebrated the International Women's Day on 8th March, 2023 in the Sandip Institute of Engineering & management Nashik.
