Report on MechSpeak: Nurturing Talents on Startup Day

1. Event Title: MechSpeak: Nurturing Talents on Startup Day

2. Event Date: 16/01/2024 (National Startup Day)

3. Event Conduction Duration: 1Pm To 3 Pm (2 Hours)

4. Event Venue: SIEM Mechanical BE Class Room

5. Name of Event Coordinator: Prof. K.P. Joshi

6. Expected Audience: Students of BE.

7. Number of Participants: seven.

8. Event Outline - The Department of Mechanical Engineering, in commemoration of National Startup Day, organized a comprehensive event for final-year Mechanical Engineering students. The event featured a multifaceted competition encompassing Group Discussion, Public Speaking, and Interview Preparation. This initiative aimed to enhance students' communication skills, critical thinking abilities, and interview readiness, providing a holistic approach to prepare them for future career opportunities.

9. Event Objectives & Outcomes:

Event Objective:

1. **Group Discussion Mastery:** Provide a platform for students to enhance their teamwork, communication, and critical thinking skills through engaging group discussions.
2. **Public Speaking Proficiency:** Develop students' ability to articulate ideas effectively, boost confidence in public speaking, and encourage persuasive communication.
3. **Interview Preparation Excellence:** Equip students with the necessary insights and strategies to excel in job interviews, offering practical guidance from experienced speakers.

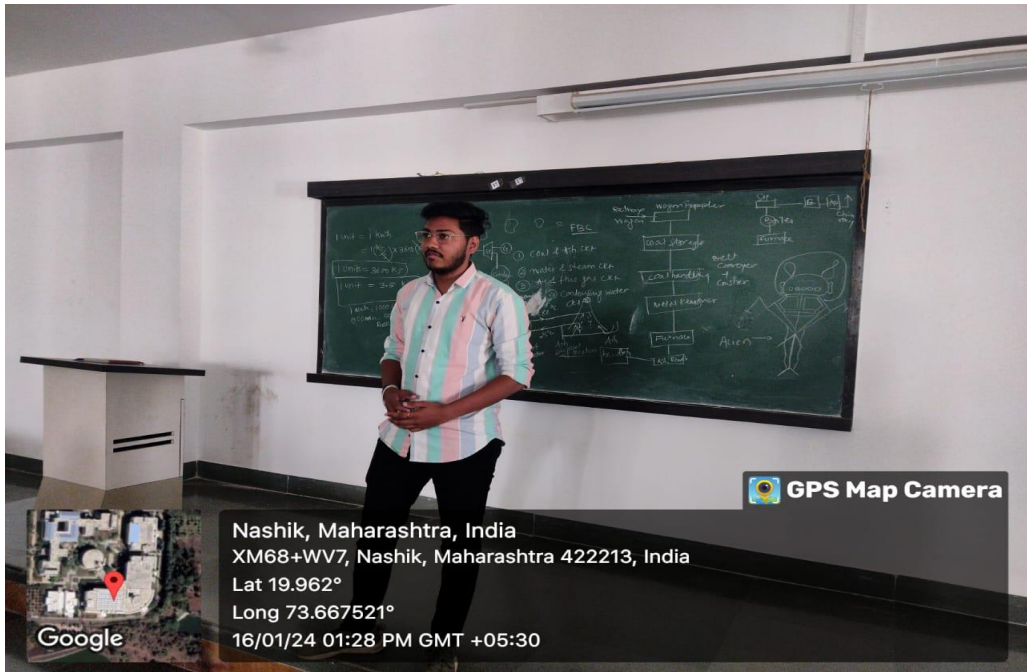

Event Outcomes:

1. Enhanced Communication Skills: Participants will refine their communication skills, both in-group settings and as individual speakers, fostering clarity and articulation.
2. Critical Thinking Development: Engaging in-group discussions will stimulate critical thinking, encouraging participants to analyze and respond thoughtfully to various topics.
3. Confidence Boost in Public Speaking: Through public speaking challenges, participants will gain confidence in presenting ideas coherently, improving their overall public speaking abilities.
4. Interview-Ready Competence: Insights from experienced speakers will prepare participants for job interviews, covering key strategies, best practices, and common pitfalls.
