1. Event Title: One Week Faculty Development Program (FDP) on "Sustainability and Sustainable Development Goals"

Event Date & Time: 13th to 17th May 2024

2. Event Conduction Duration: One Week

3. Event Venue: Online Mode at Mechanical Engineering Department

4. Name of Event Coordinator: Prof. S. B. Ambekar & Prof. P. P. Kulkarni

5. About Event:

Mechanical Engineering Department, Sandip Institute of Engineering and Management, Sandip Foundation, Nashik in association with: **Sustainability Promoters & Sustainability Collaborators (SPSC)** organized online **One Week Faculty Development Program (FDP) on "Sustainability and Sustainable Development Goals"** held from 13th to 17th May 2024 was a resounding success, bringing together over 250 participants from various countries and regions, including a significant number from Maharashtra. The event, organized by the Mechanical Engineering Department of Sandip Institute of Engineering and Management, in association with Sustainability Promoters & Sustainability Collaborators (SPSC), featured esteemed speakers from around the globe, each contributing valuable insights into different facets of sustainability.

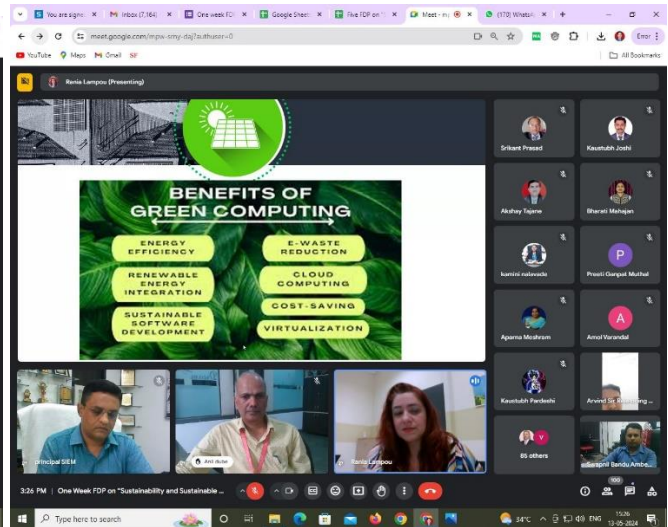

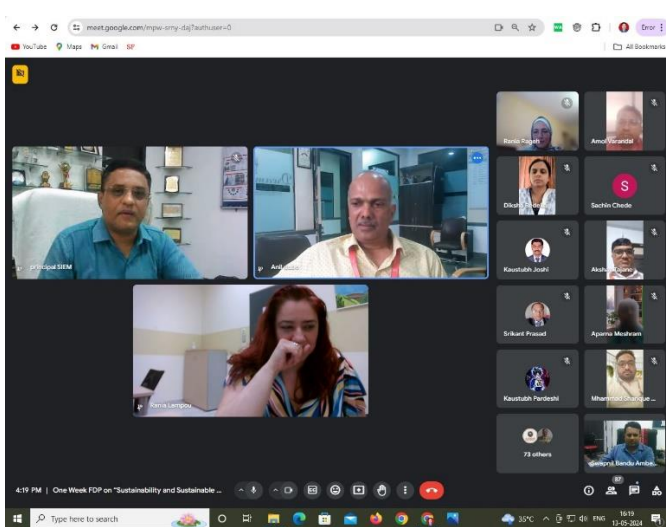

Day 1 Session

Date: 13th May 2024

Resource Person: Rania Lampou, From Greece

Topic: "Green Technologies and Environmental Sustainability"

The program commenced with an engaging session by Rania Lampou, who provided a comprehensive overview of green technologies and their role in promoting environmental sustainability. Her presentation highlighted various innovative approaches and case studies, illustrating the positive impact of green

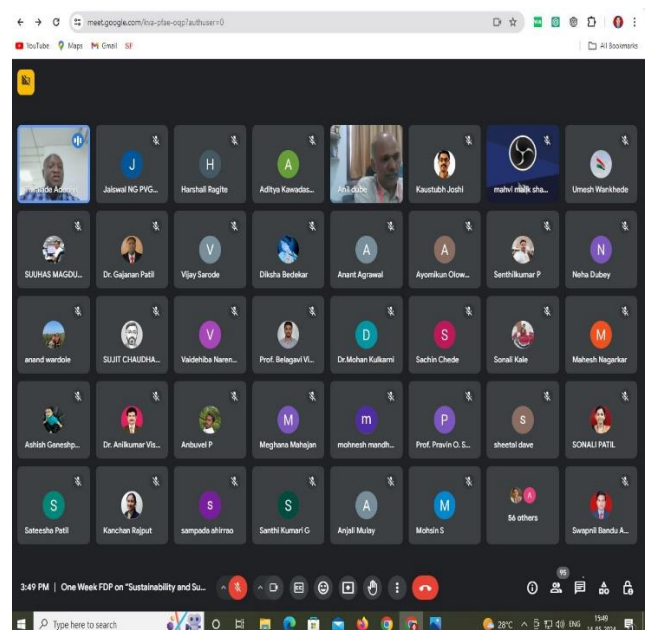

Day 2 Session

Date: 14th May 2024

Resource Person: Tiwalade Adeniyi, Nigeria

Topic: "Building Sustainable Infrastructure and the Finance Gap"

Tiwalade Adeniyi addressed the critical issue of financing sustainable infrastructure. She outlined the challenges and opportunities in bridging the finance gap, emphasizing the need for innovative financial solutions and international cooperation. Her insights were particularly valuable for participants looking to understand the economic aspects of sustainability.

Day 3 Session

Date: 15th May 2024

Resource Person: Nada Ratković

Topic: "Innovation - The Key to Sustainability"

Nada Ratković's session focused on the role of innovation in driving sustainability. She discussed various cutting-edge technologies and innovative practices that are key to achieving sustainable development goals. Participants were inspired by her examples of successful innovations and encouraged to think creatively about sustainability solutions.

2. Resource Person: Dr. Doris

Topic: "Educating for a Sustainable Future: Integrating SDG 4 and SDG 13 in Schools"

Dr. Doris highlighted the importance of education in achieving sustainability, focusing on integrating Sustainable Development Goals (SDGs) 4 (Quality Education) and 13 (Climate Action) into school curriculums. Her presentation underscored the role of education in fostering a sustainable mindset from a young age.

FDP on Sustainability and Sustainable Development Goal at SIEM Nashik

Conclusion

- Implement hands-on projects such as school gardens, waste recycling programs, and renewable energy projects.
- Organize field trips to nature reserves, recycling plants, and other relevant sites. Create resources and toolkits to support teachers in integrating these topics into their lessons.
- Partner with local organizations, businesses, and government bodies to support educational initiatives.
- Engage parents and community members through informational sessions and volunteer opportunities.
- Global and Local Partnership
- Together, we can achieve a more sustainable world!

The success of this FDP can be attributed to the meticulous planning and coordination by:

- **Program Coordinators:** Prof. Swapnil Ambekar & Prof. P.P. Kulkarni
- **Convener:** Dr. A. S. Dube, Head of Mechanical Engineering Department
- **FDP Chairs:** Er. Parin Makadia, Director SPSC, UK
and Dr. D. P. Patil, Principal, SIEM

Conclusion

The Faculty Development Program on "Sustainability and Sustainable Development Goals" provided a platform for meaningful dialogue and knowledge exchange on critical issues surrounding sustainability. The diverse range of topics and expert insights from international speakers enriched the participants' understanding and equipped them with practical strategies to implement in their academic and professional pursuits.
