Event Report: Futsal (Ring Football) Event  
Event Head Coordinator: Arvind Prajapati  
Event Venue: Sandip Foundation Football Ground  
Date of Conduct: 16th and 17th Feb, 2024

**Introduction:**

The Futsal event, organized at SIEM Nashik college campus, marked a significant milestone as it was the first time we incorporated Futsal into the Tech Fight. Open to all students, including external participants, this event aimed to provide a platform for showcasing football skills and competing for exciting prizes. The event garnered enthusiastic participation, making it a grand success.

**Event Details:**

Futsal, a variant of football, requires finesse, agility, and precision. Played on a hard court resembling a basketball court but smaller than a traditional football pitch, Futsal shares similarities with five-a-side football and indoor football. The game involves two teams, each comprising five players, aiming to score goals by propelling a round ball into the opponent's net using any part of the body except the hands and arms.

**Event Execution:**

Taking place on the 16th and 17th of Feb, 2023, the Futsal event unfolded at Sandip Foundation Football Ground, within the Sandip Foundation Campus. Participants showcased their prowess in quick passes, accurate shots, and strategic maneuvers, adding an electrifying atmosphere to the venue.

**Participation and Engagement:**

The event attracted a diverse pool of participants, including students from SIEM and external enthusiasts. Teams displayed remarkable teamwork and sportsmanship throughout the matches, creating an environment filled with enthusiasm and camaraderie.

**Conclusion:**

The Futsal event not only provided a platform for showcasing football talent but also fostered a sense of community among participants. The success of the event can be attributed to the dedication of the organizing team, led by Arvind Prajapati, and the active participation of the attendees. As the inaugural Futsal event in the Tech Fight, it set a precedent for future editions, promising even greater excitement and competition.

**Acknowledgments:**

We extend our gratitude to all participants, volunteers, and supporters who contributed to the success of the Futsal event. Special thanks to Arvind Prajapati for his exemplary leadership and organizational skills in spearheading the event.
