### **Program Objective &Outcome:**

#### **Objective:**

- To give a platform to our young budding engineers for showcasing their innovative ideas and creating a competitive atmosphere for the holistic development of students.
- Create an opportunity for students to enhance their leadership and organizational skills.
- To imbibe the culture of multi-institute competition among students
- To facilitate Student Industry interaction
- To provide an occasion of department students to nurture their Management skills and leadership.

#### **Outcome:**

- Promote innovative thinking and practical skills through real life technological projects.
- Encourage students to rack their brains and brainstorm to provide solutions for any existing substantial problem. These events guide engineers, researchers to dream bigger and achieve them.
