Event Title: Placement Activity: Group Discussion, Essay Writing

Event Scheduled: 19th September 2024 (3:00PM- 5:00 PM)

Timing: 3:00 pm onwards.

Event Venue: Final year classroom, SIEM, Sandip Foundation, Nashik

Participants: BE students of E&TC Department

Name of Faculty coordinator: Prof. Amit Kr. Mishra, E&TC department

Objectives:

The objectives of group discussions and essay writing exercises in the context of placement activities are designed to evaluate and enhance various skills that are crucial for success in the professional world. Here are the key objectives for each:

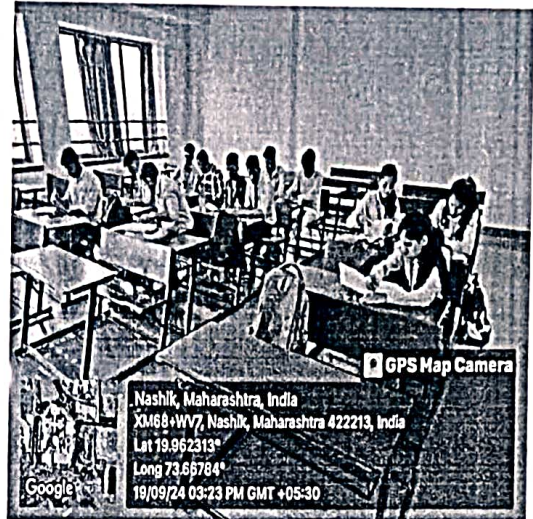

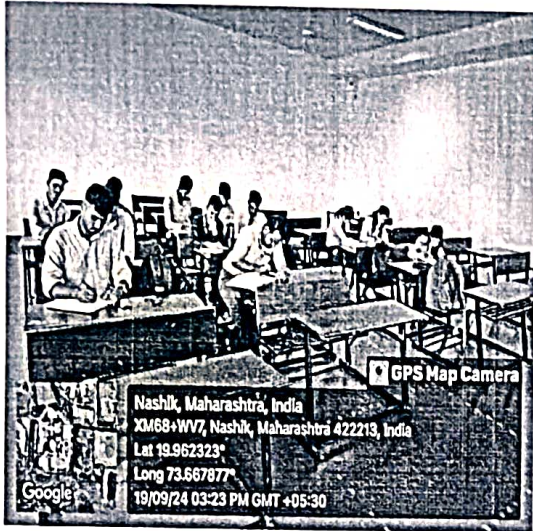

Objectives of Group Discussion in Placement Activity:

1. **Communication Skills:** To assess and develop the ability to articulate thoughts clearly and effectively in a group setting, which is essential for workplace communication.
2. **Teamwork and Collaboration:** To evaluate how well candidates work with others, contribute to a team, and collaborate to achieve a common goal, reflecting their potential to function effectively in a professional environment.
3. **Leadership and Initiative:** To identify candidates who can take initiative, lead discussions, and guide the group towards a consensus, showcasing leadership potential.
4. **Critical Thinking and Problem Solving:** To test candidates' ability to think critically, analyze various perspectives, and propose solutions to problems discussed during the session.
5. **Listening Skills:** To gauge the ability to listen to others' viewpoints, respond appropriately, and engage in constructive discussions, which is crucial in a collaborative work environment.
6. **Confidence and Public Speaking:** To build and assess the confidence of candidates in presenting their ideas in front of a group, a key skill in many job roles.
