

NATIONAL SERVICE SCHEME (NSS)

Not Me.... But You...!

Name of Event: Health Checkup and Blood Donation Camp
Date of Event: 24th September 2024
Time: 10:30 AM to 5:00 PM
Venue: Sandip Institute of Engineering and Management (SIEM)

In Association with: Navjeevan Blood Bank and Manavta Cancer Center, Nashik

Coordinator: Prof. S.M. Mahajan, NSS Program Officer

Beneficiaries: 200+ students, teaching and non-teaching staff

Blood Bags Collected: 72

On 24th September 2024, the National Service Scheme (NSS) unit of Sandip Institute of Engineering and Management (SIEM) organized a Health Checkup and Blood Donation Camp in association with Navjeevan Blood Bank and Manavta Cancer Center, Nashik. This event was conducted to celebrate National Service Scheme Day, promoting the spirit of service and community welfare among students and staff members.

The key objectives of the camp were to:

1. Promote health awareness among the students and staff by providing access to free health check-ups.
2. Encourage voluntary blood donation, emphasizing the importance of donating blood to save lives.

Activities:

1. **Health Checkup:** A comprehensive health checkup was organized for over **200 beneficiaries**, including students, teaching, and non-teaching staff. Medical professionals from **Manavta Cancer Center** conducted the checkups, which included blood pressure monitoring, blood sugar testing, BMI measurement, and general health consultations. Attendees received valuable advice on maintaining a healthy lifestyle and preventing common ailments.
2. **Blood Donation Drive:** In collaboration with **Navjeevan Blood Bank**, the NSS unit organized a blood donation camp that saw enthusiastic participation. A total of **72 blood bags** were collected from student volunteers, faculty, and staff members. Each donor was counselled about the importance of blood donation and its impact on saving lives, and they were encouraged to continue participating in such initiatives in the future.

The event was meticulously planned and coordinated by **Prof. Sunil M. Mahajan**, NSS Program Officer, under the guidance of **Dr. Dipak P. Patil**, Principal of SIEM. The support of **Navjeevan Blood Bank** and **Manavta Cancer Center** played a critical role in ensuring the smooth conduct of both the health checkup and blood donation activities.
