

Department of Mechanical Engineering

A.Y. 2024-25 SEM-I

Interaction and Discussion with Alumni Tejas Ahire Selected at Bhabha Atomic Research Centre (BARC)

1. Event Title – Alumni Interaction: Journey to Success - A Session with Tejas Ahire (BARC Selection)

2. Event Date: 12/09/2024

3. Event Conduction Duration: 3:00 to 4:00 PM (1 Hour)

4. Event Venue: Mechanical Engineering Board Room

5. Event Resource Person /Guest Details: - Engineer Tejas Gulab Ahire

Background: A distinguished alumnus of the 2023-24 batch, Tejas Ahire has qualified GATE twice and has been selected in multiple esteemed companies, including Force Motors, Lixil Windows, MASO, and MSS India. Recently, he secured a prestigious position as Laboratory Scientific Assistant at Bhabha Atomic Research Centre (BARC), Anushakti Nagar, Mumbai.

6. Event Coordinator: Dr. S.B.Ambekar

7. Event Objectives & Outcomes:

Objectives:

1. To provide students with insight into the career journey of a successful alumnus.
2. To motivate students by sharing real-life experiences and challenges faced during the preparation for competitive exams and job selection.
3. To showcase the diverse opportunities available after completing a degree in mechanical engineering, from GATE qualifications to placements in both public and private sectors.
4. To engage students in an interactive session where they can learn from the experiences of an accomplished alumnus.

Outcomes:

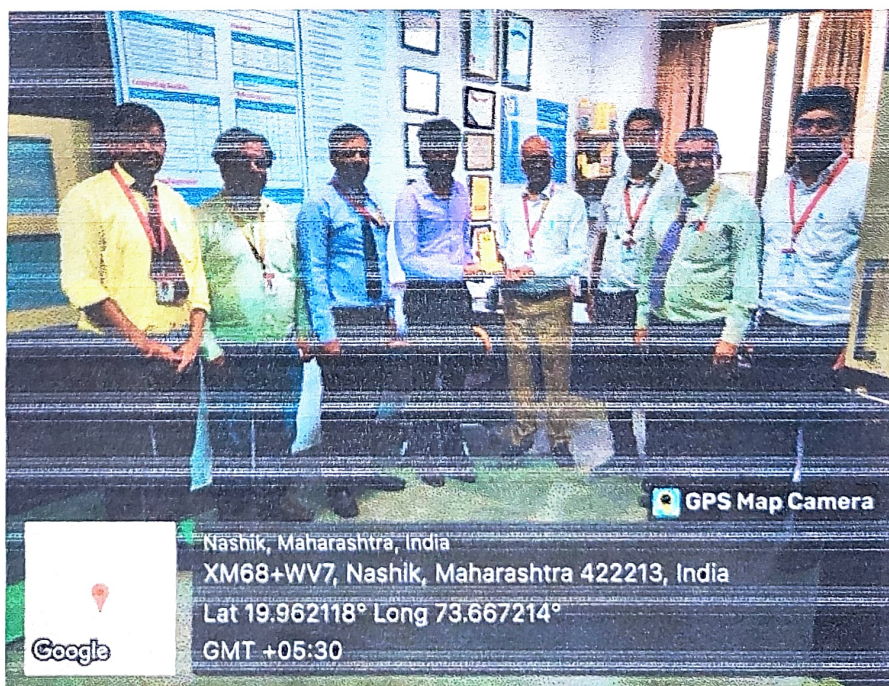

1. Students gained a clearer understanding of the selection process for various companies and organizations, especially BARC.
2. The interactive discussion provided valuable strategies for GATE preparation and interview techniques.

3. Students were inspired by Tejas Ahire's dedication, perseverance, and accomplishments, motivating them to explore broader career paths.
4. The session strengthened alumni relations and highlighted the success stories of the department.

Event Summary:

The interaction with Tejas Ahire, an alumnus of the Department of Mechanical Engineering, was an enriching experience for the students. Tejas shared his journey of qualifying GATE, navigating the recruitment process, and ultimately being selected at BARC. He provided insightful tips on exam preparation, interview readiness, and the importance of persistence. Students actively engaged in the discussion, asking questions about the challenges and opportunities in the field of mechanical engineering. The event concluded with a heartfelt felicitation of Tejas Ahire by the department.
