- 5. About Event:**

The Mechanical Engineering Students Association (MESA) organized a grand celebration on Teachers' Day to honor the Mechanical Engineering faculty. The event was graced by the presence of Principal Dr. Dipak Patil, Vice Principal Dr. Kamini Nalawade, Head of Department Dr. Anil Dube, Dean Admin Dr. Swapnil Ambekar, and Training & Placement Officer Dr. Prasad Kulkarni.

The program began with the dignitaries performing a ceremonial lamp lighting in front of a portrait of Dr. Sarvepalli Radhakrishnan, paying homage to his legacy as an educator and philosopher.

Following this, students of MESA held a felicitation ceremony, where each faculty member was honored for their invaluable contributions to the department and students' growth.

A series of heartfelt speeches followed, starting with Principal Dr. Dipak Patil, who shared his reflections on the importance of teachers in shaping future leaders and advised students to cherish and respect their mentors. Dr. Anil Dube, Head of the Mechanical Engineering Department, echoed these sentiments, appreciating both the faculty's dedication and the students' efforts in organizing such a meaningful event.

In addition, second-year mechanical students Mr. Yash Pagare, Bhushan Suryawanshi, and Kalpesh Bedse delivered inspiring speeches. Each of them expressed their gratitude to the teachers, reflecting on the positive influence and guidance they had received. Their words resonated with the entire audience, adding a personal touch to the occasion.

The program was anchored gracefully by Mrs. Sagrika Thorat and Mr. Profull Kannor, both second-year mechanical students, who kept the event lively and well-organized.

The event ended with a sense of mutual respect and gratitude, leaving both students and teachers with fond memories of the celebration.
