Dear Parul Dadhich Ma'am,

Greetings of the day !!!

On behalf of the **Entrepreneurship Development Cell** at Sandip Institute of Engineering and Management, I am pleased to invite you as an esteemed speaker for our upcoming **Institution's Innovation Day**, which is scheduled on **15th October 2024**, in honor of **Dr. APJ Abdul Kalam's birth anniversary**.

We would be privileged to have you deliver an expert talk on key topics related to entrepreneurship, including:

- **How to Start a Startup**
- **Government Schemes Supporting Startups**
- **How to Raise Funds from the Government**

Event Details:

- **Date:** 15th October 2024
- **Time of Arrival:** 10:45 AM
- **Expert Talk Session:** 11:00 AM to 12:15 PM
- **Venue** - SIEM , Mechanical Seminar Hall
- **Google location** - <https://maps.app.goo.gl/6tCyJo7CHFnGB6P6>

Your extensive experience in the field will be of great value to our students, and we are confident that your insights will inspire them to explore opportunities in entrepreneurship and innovation.

Kindly confirm your availability for the session at your earliest convenience. Should you need any adjustments to the date, time, or topic, please do not hesitate to let us know.

Additionally, we kindly request that you share a copy of the front page of your bank passbook to facilitate administrative processes.

We are looking forward to your positive response and are excited to host this insightful and inspiring session.

Warm regards,

K.P. Joshi
Assistant Professor, Mechanical Dept.
Entrepreneurship Development Cell
Sandip Institute of Engineering

Notice

Entrepreneurship Development Cell (EDC)

The Entrepreneurship Development Cell (EDC) of Sandip Institute of Engineering and Management (SIEM) is organizing an insightful session on the topic: "Startups and its Legalities"

We are honored to have Ms. Parul Dadhich, a renowned Corporate & Start-up Consultant, Design Thinking Trainer, and Leadership & Team Coach, as the guest speaker. This session is an excellent opportunity for students to gain valuable knowledge about the legal frameworks that govern startups and entrepreneurship, along with expert insights on leadership and team building.

Details of the Session:

- Date: 15th October 2024
- Time: 11:00 AM to 12:15 PM
- Venue: Mechanical Seminar Hall, SIEM

All Engineering students are encouraged to attend this session to enhance their understanding of the legalities involved in starting and managing a business. This knowledge is crucial for aspiring entrepreneurs in today's competitive environment.

Report on Startup and its Legalities

1. **Event Title** - Startup and its Legalities
2. **Event Date:** 15/10/2024
3. **Event Conduction Duration:** 11:00 to 12:30 PM (1:30 Hours)
4. **Event Venue:** SIEM Mechanical Engineering seminar hall
5. **Event Resource Person /Guest Details:** - Ms. Parul Dadhich, Co-founder at Lawgraph consulting & the corPepole fellow CS, MBA In finance, Executive and team coach (ICF-USA), Startup consultant and Mentor, POSH trainer, certified design thinker
6. **Event Coordinator:** Prof. K. P. Joshi & Dr. Swati Gade
7. **Expected Audience:** All SE, TE & BE Students
8. **Number of Participants:** 150
9. **Event Objectives & Outcomes:**

Objectives

- a. To provide students with a comprehensive understanding of the legalities involved in starting and running a startup.
- b. To familiarize participants with the process of registering a startup, including the benefits of forming a Pvt. Ltd. or LLP company.
- c. To educate students about key legal documents, agreements, and intellectual property rights essential for startups.
- d. To offer practical insights into funding strategies and how to secure resources for a growing business.
- e. To inspire students to explore the opportunities in the startup ecosystem by understanding the challenges and solutions.
- f. To celebrate Institution is Innovation Day and the birth anniversary of Dr. APJ Abdul Kalam, fostering innovation and entrepreneurship.

Outcomes:

- a. **Enhanced Legal Knowledge:** Participants gained a clear understanding of the legal frameworks necessary for establishing and operating a startup, including registration, tax benefits, and essential legal documentation.

- b. **Actionable Insights:** Students learned about key steps in registering a startup, drafting co-founder agreements, and protecting intellectual property, equipping them to navigate startup challenges.
- c. **Funding Awareness:** The session provided practical strategies for securing funding, managing financial resources, and scaling businesses, empowering students to make informed decisions.
- d. **Increased Confidence:** The event motivated aspiring entrepreneurs to confidently embark on their startup journey, with a clear grasp of legal and business strategies.
- e. **Interactive Engagement:** Students actively engaged in the session's Q&A, addressing their startup ideas, legal concerns, and receiving expert feedback, enhancing their entrepreneurial mindset.
- f. **Inspiration for Leadership:** The expert talk encouraged participants to adopt leadership roles and innovative thinking, driving them toward entrepreneurial excellence.

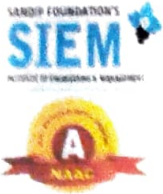

10. Event Outline

The event began with a warm welcome by Mr. sahil wankhede (BE Mechanical Students), highlighting the significance of Institution's Innovation Day and honoring Dr. APJ Abdul Kalam's legacy. Ms. Parul Dadhich, Co-founder of Lawgraph Consulting, was introduced, followed by her felicitation by Principal Dr. D.P. Patil.

Dr. Dipak P Patil then addressed the students, emphasizing the importance of entrepreneurship and understanding legal frameworks in business. Ms. Dadhich delivered an engaging talk on the legalities of startups, covering topics such as registration processes, funding strategies, and essential legal documents.

The session concluded with a lively Q&A, where students engaged with Ms. Dadhich, seeking clarity on startup challenges. The event ended with a vote of thanks from Mr. sahil wankhede (BE Mechanical Students), expressing gratitude to the speaker, Principal, and attendees for making the event successful.

This informative session empowered students with practical insights into starting and sustaining a successful startup.

11. Event Summary:

On **15th October 2024**, the *Entrepreneurship Development Cell (EDC)* and *Institution Innovation Council (IIC)* at Sandip Institute of Engineering and Management organized an inspiring expert talk titled "*Startups and Legalities*" in celebration of *Institution's Innovation Day* and in honor of the birth anniversary of **Dr. APJ Abdul Kalam**, the Missile Man of India. 🚀

The event featured **Ms. Parul Dadhich**, an accomplished Corporate & Start-up Consultant, Design Thinking Trainer, and Leadership & Team Coach. Ms. Dadhich's talk provided students with valuable insights into the legal complexities, funding options, and key challenges faced by startups in the Indian ecosystem.

During the session, Ms. Dadhich emphasized the importance of understanding the legal frameworks, including startup registration processes, tax benefits, and intellectual property rights. She also discussed the vital role of co-founders' agreements, IT laws, and compliance to ensure startups operate legally and efficiently.

A dynamic Q&A session followed, where students discussed their startup ideas and sought expert guidance on overcoming legal hurdles. Ms. Dadhich's responses were insightful and tailored to the entrepreneurial aspirations of the participants.

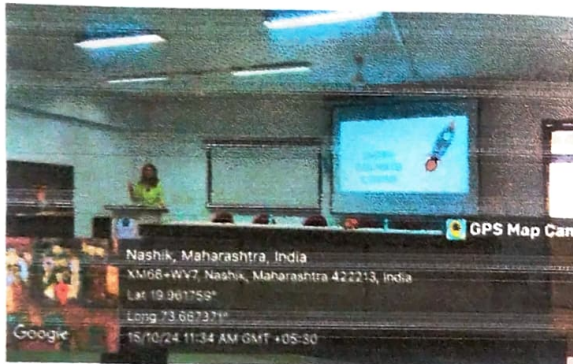

Key Takeaways:

- Importance of understanding the legal frameworks for startups.
- Steps and benefits of registering startups as Pvt. Ltd. or LLP.
- Critical legal documents and agreements for startups.
- Funding options and strategies for growth.

The event was a valuable learning experience for all students, offering them practical knowledge on how to successfully launch and manage their startups. This initiative from the *Entrepreneurship Development Cell (EDC)* aimed at fostering entrepreneurial awareness and skills among future engineers and innovators.

Thank You for Your Guidance and Support

Dear Ms. Parul Dadhich,

Greetings!

On behalf of Sandip Institute of Engineering and Management (SIEM) and the Entrepreneurship Development Cell (EDC), we would like to extend our heartfelt gratitude to you for delivering an insightful and engaging session on "Startups and its Legalities" on 15th October 2024.

Your expertise as a Corporate & Start-up Consultant, Design Thinking Trainer, and Leadership & Team Coach brought tremendous value to our students. The knowledge and perspectives you shared, particularly on navigating the legal aspects of startups and the importance of strong leadership, have certainly inspired and enlightened all attendees.

The students greatly appreciated your practical insights and the clarity with which you addressed the complexities of startup legalities. We are confident that your session has made a lasting impact on their entrepreneurial journey, and they will benefit from the knowledge you imparted as they move forward in their careers.

Once again, thank you for taking the time to contribute to our institution and for being a part of our initiative to promote entrepreneurship and innovation. We look forward to the possibility of collaborating with you in the future for more such engaging sessions.

Wishing you continued success in all your endeavors!
