* About Institution *

Sandip Foundation was established with the primary objective of rendering selfless, dedicated and yeoman service to higher education in Engineering branches, Management, Arts, Science and Paramedical Sciences. The trustees are already involved in the field of higher education for last fifteen years. During the period the trustee have rendered valuable services to thousands of students. Sandip Institute of Engineering & Management (SIEM) is offering from the Sandip Foundation to the people of Nashik. SIEM is located in the scenic, Eco-friendly and conducive to study campus at an elevation off the Trimbak Road (Mahiravani, Nashik). SIEM is committed to imparting quality education in an atmosphere that will ensure that its students are confident, self-motivated and industry ready. Towards this goal, we are giving importance to qualified and experienced faculty for effective teaching learning process, equipped our laboratories with best-in-class machines and instruments and developing overall personality of our students

* About Department of Electrical *

Department of Electrical Engineering has been established in the year 2010, with an intake of 60 students. The department has blend of senior, young and dynamic faculty. The department have 10 well equipped laboratories with advanced instruments and latest computing tools.

About VAP

The program enable students to gain a more holistic perspective and thus a better understanding of current industry challenges, as well as to gain and develop innovative and creative skills through a diverse range of course offerings. Along with improving your professional skills and knowledge, your confidence gets boosted and it reflects in your personality.

*Objectives *

1. Help Students understand the computer-aided design (CAD).
2. Enhance ability to use AutoCAD to precisely measure and construct a model.
3. Make students understand AutoCAD, which makes easy to draw objects accurately in Electrical Engineering.
