On

“Virtual Industrial Visit”

1. **Event Title** : Virtual Industrial Visit
2. **Event Date** : 25th May 2021
3. **Event Conduction Duration :** 10 AM to 05 PM
4. **Event Venue** : Online Platform
5. **Name of Event Coordinator** : Dr. K C Nalavade
6. **Name of Resource Person** : Sumago Infotech.Nashik.
7. **Expected Audience** : BE(Comp)
8. **Number of students present** : 98
9. **Program Outcome Mapped:** PO5, PSO1, PSO3

10. Event Objectives & Outcomes :

Objectives:-

- Provide students with practical insights into data science applications in the financial domain, especially focusing on the Bombay Stock Exchange (BSE).
- Bridge the gap between theoretical knowledge and real-world financial data analysis.
- Equip attendees with valuable skills for future career opportunities in data science and finance.

Outcome:-

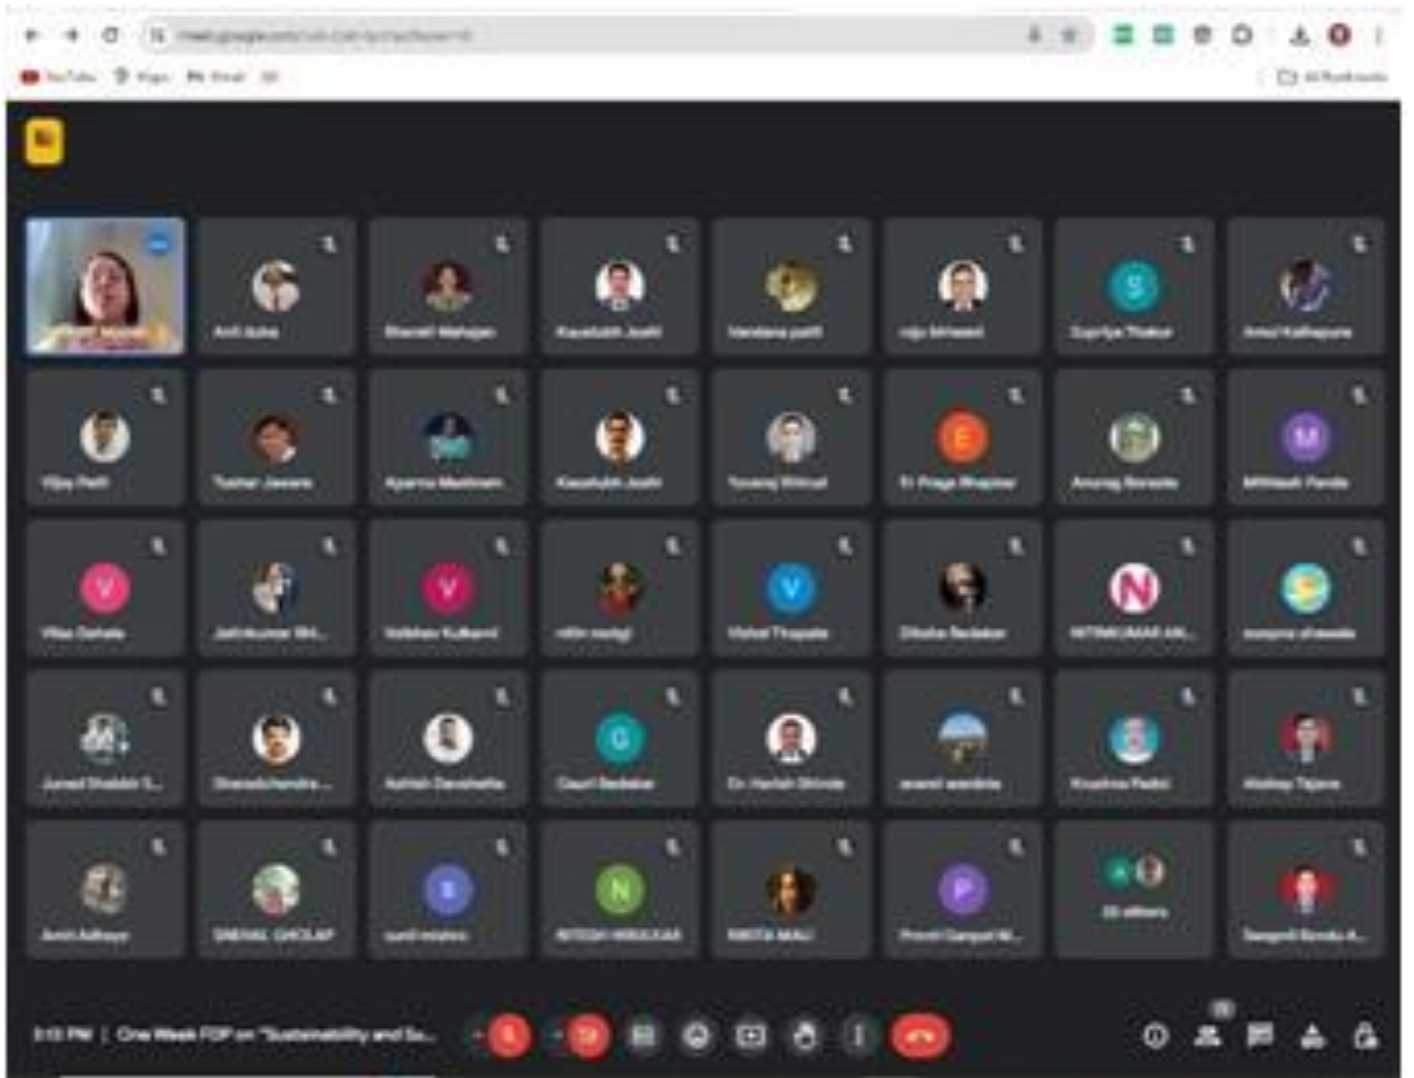

- Attendees gained a deeper understanding of the practical applications of data science in the financial sector, particularly in the context of the Bombay Stock Exchange (BSE), enabling them to bridge the gap between theory and real-world data analysis.
- The panel discussion with experts provided valuable insights into the challenges and opportunities in the field of data science in finance, along with the latest trends in algorithmic trading and the significance of big data in shaping investment strategies.
- The live demonstration and interactive data analysis session empowered participants to apply data science techniques to actual BSE data, equipping them with practical skills and knowledge that can be directly applied to future career opportunities in data science and finance.
