

Department of Computer Engineering

Institute Vision

We at SIEM aspire to be a globally recognized Institute that delivers a world class education to outstanding intellectual by nurturing and grooming by their interest, creative abilities and thrusts to acquire a life-long learning so as to imbibe values of their commitment towards society.

Department Vision

The department aims to be recognized in the field of quality education through excellence in teaching, learning, research and innovation for the betterment of society.

EVENT REPORT

On

“Value Added Program (VAP) on Machine Learning”

Name of Event: Value Added Program (VAP) on Machine Learning.

Date of Event: 05/10/2023-07/10/2023, 10/10/2023-11/10/2023 and 03/11/2023.

Coordinator of Event: Prof. Vishal V. Mahale, Assistant Professor, SIEM, Nashik

Name and Details of Resource Person: Prof. Y. S. Gite, Assistant Professor, SIEM, Nashik

No of Participants: 79.

Details of Participants: BE student of Computer Engineering.

Program Outcome Mapped: PO3, PO5, PO11

Objectives:

- 1) Learn and realize the concepts of machine learning techniques
- 2) To improve programming proficiency with respects to data analytics in python
- 3) To introduce statistical methods like regression and classification and how it can be to industry related problems using Python
- 4) Understand the concept of clustering and classification
- 5) To provide necessary hands students to accomplish their

Outcome Students are able to

- 1) Design a framework for machine learning problem and implement using the machine learning concepts.
- 2) Develop solution for real world problems using
- 3) Clean the data, preprocess the
- 4) Understand the training-testing
- 5) Distinguish the different ML

Notice:

The image shows a notice from Sandip Institute of Engineering & Management. At the top, it features the SIEM logo on the left and the SANDIP logo on the right. The text in the center reads: "Sandip Foundation's Sandip Institute of Engineering & Management, Mahiravani, Trimbak Road, Nashik - 422 213, Maharashtra. Phone: (02594) 222 581/82/83/84, Fax: (02594) 222 585. http://www.sandipfoundation.org / info@siem.org.in". Below this, it says "AY 2023-24" and "Department of Computer Engineering". The word "Notice" is underlined in the center, and "Date: 18/09/2023" is on the right. The main body of the notice states: "This is to inform all students of B.E. Computer Engineering, that the Value Added Program (VAP) on Machine Learning has organized for 6 days starting from 05/10/2023. It is scheduled on October 5th, 6th, 7th, 10th, 11th, and November 03rd, 2023 having 6hrs/day from 10:00am to 5:00pm. The venues of the workshop are classroom B21, Programming Lab and Internet Lab. The workshop will provide necessary hands-on Lab practice sessions of ML with python language to help students to accomplish their project work, syllabus contents related to Machine Learning." At the bottom, there are two signatures: "VAP Coordinator Prof. Y. S. Gite" on the left and "H.O.D. Dr. K. C. Nalavade" on the right. A circular stamp in the center reads "COMPUTER ENGG. DEPT." and "Sandip Institute of Engineering & Management, Nashik".

Brochure:

<p>About Institute</p> <p>Sandip Institute of Engineering & Management (SIEM) is offering from the Sandip Foundation to the people of Nashik. SIEM is located in the scenic, eco-friendly and conducive to study campus at an elevation off the Trimbak Road (Maharavan, Nashik). SIEM is accredited B++ grade by NAAC. At SIEM, the focus is on interactive Teaching-learning, Industrial Projects and Training, Faculty empowerment, Industrial visits so that learning is applicable oriented and students develop the necessary skills. SIEM is committed to imparting quality education in an atmosphere that will ensure that its students are confident, self-motivated and industry ready. Towards this goal, we are giving importance to qualified and experienced faculty for effective teaching learning process equipped our laboratories with best-in-class machines and instruments and developing overall personality of our students.</p>	<p>Objectives</p> <ul style="list-style-type: none"> To learn and realize the concepts of machine learning techniques To improve programming proficiency with respects to data analysis in python To introduce statistical methods like regression and classification and how it can be applied to industry related problems using Python Understand the concept of clustering and classification
