
Department of Computer Engineering

Institute Vision

We at SIEM aspire to be a globally recognized Institute that delivers a world class education to outstanding intellectual by nurturing and grooming by their interest, creative abilities and thrusts to acquire a life-long learning so as to imbibe values of their commitment towards society.

Department Vision

The department aims to be recognized in the field of quality education through excellence in teaching, learning, research and innovation for the betterment of society.

EVENT REPORT

On

Training Program on “Microsoft Azure AZ 900”

1. **Name of Event:** Expert Talk on “Microsoft Azure AZ 900”
2. **Date of Event:** 15th Jan. 2023
3. **Event Conduction Duration:** 10am to 3 pm
4. **Event Venue:** Mechanical Seminar Hall & Electrical ICT Classroom
5. **Event Resource Person Details:** Ms Sakshi Mishra (Senior DevOps Engineer and Cloud Architect at Google)
6. **Name of Event Coordinator:** Dr Pallavi V. Baviskar and Prof V. V. Mahale
7. **Expected Audience:** TE, BE Students
8. **Number of Participants:** 24
9. **Program Outcome Mapped:** PO7, PO8, PO12, PSO3
10. **Course Content:**
 - Cloud Concepts
 - Core Azure Services
 - Core Solutions and Management Tools on Azure
 - General Security and Network Security Features
 - Identity, Governance, Privacy, and Compliance Features
 - Azure Cost Management and Service Level Agreements

11. Event Objectives & Outcomes:

- **Objectives:** The Microsoft Azure AZ-900 course aims to provide foundational knowledge of cloud services and how they are provided with Microsoft Azure. It covers basic cloud concepts, core Azure services, solutions and management tools, security and network security features, as well as identity, governance, privacy, and compliance. This course is designed for students who are new to Azure and want to gain a solid understanding of its capabilities and benefits.

- **Outcome :** Upon completing the Microsoft Azure AZ-900 course, students will have a clear understanding of core cloud concepts and Azure services. They will be able to identify and describe Azure's core services and solutions, understand Azure's security, privacy, compliance, and trust, and manage Azure costs and service level agreements. This foundational knowledge will prepare students for further Azure certifications and roles that involve working with Microsoft Azure.

Photos:

The poster features a light grey background with a faint, abstract pattern. At the top left is the Sandip Foundation logo, a circular emblem with a face. To its right is the Microsoft logo. The main title is 'Training on MICROSOFT AZURE FUNDAMENTALS AZ 900'. Below this are three red rounded rectangular buttons: the first with a calendar icon and the text '15th to 19th Jan 2023', the second with a clock icon and '10:00AM Onwards', and the third with the text 'Venue-'. Below the venue button, the text 'SIEM Mechanical Seminar Hall' is displayed. On the right side, there is a portrait of Ms. Sakshi Mishra, a woman with long dark hair and glasses, wearing a pink patterned top. Below her portrait is a white box containing her name and title. At the bottom of the poster is a red horizontal bar with white text listing the coordinators and their contact numbers.
