

Department of Computer Engineering

Institute Vision

We at SIEM aspire to be a globally recognized Institute that delivers a world class education to outstanding intellectual by nurturing and grooming by their interest, creative abilities and thrusts to acquire a life-long learning so as to imbibe values of their commitment towards society.

Department Vision

The department aims to be recognized in the field of quality education through excellence in teaching, learning, research and innovation for the betterment of society.

EVENT REPORT

On

One Day Workshop on Website Development

Name of Event: Workshop on Website Development

Date of Event: 12/08/2022

Coordinator of Event: Prof. N. R. Hiray

Name and Details of Resource Person: Yogesh Aher, Application Square

No of Participants: 26

Details of Participants: Third Year Computer Engineering Students

Program Outcome Mapped: PO1, PO5, PO11, PSO1

Objectives:

- To learn how to build a basic web page structure using HTML, including the use of headings, paragraphs, images, and hyperlinks.
- To grasp key concepts in web development, including the roles and interactions of HTML, CSS, and JavaScript.
- To explore essential tools and environments used in web development, such as code editors, version control systems, and local servers.
- To apply styling techniques to web pages, including the use of color, fonts, spacing, and layout to create an attractive design.

- To access resources, communities, and documentation that support further learning and problem-solving in web development.

Outcome:

- Students are able to explain the roles of HTML, CSS, and JavaScript in web development.
- Students are able to create well-organized web pages using HTML elements, including headings, paragraphs, images, and hyperlinks.
- Students are able to apply CSS styling techniques to enhance web page appearance, including the use of colors, fonts, and layouts.
- Students are able to access and engage with online resources and communities to continue developing their web skills and problem-solving abilities.
