

## Department of Computer Engineering

### Institute Vision

We at SIEM aspire to be a globally recognized Institute that delivers a world class education to outstanding intellectual by nurturing and grooming by their interest, creative abilities and thrusts to acquire a life-long learning so as to imbibe values of their commitment towards society.

### Department Vision

The department aims to be recognized in the field of quality education through excellence in teaching, learning, research and innovation for the betterment of society.

## EVENT REPORT

On

### One Week Value Added Program on 'WEB DEVELOPMENT'

**Name of Event:** One Week Value Added Program on 'WEB DEVELOPMENT'

**Date of Event:** 08-12 May 2023

**Coordinator of Event:** Prof. Snehal P. Dongre.

**Name & Details of Resource Person:** Prof. Piyush R. Kulkarni, Asstt. Professor in Guru Gobind Singhji College of Engineering, Nashik.

**No of Participants:** 43

**Details of Participants:** TE Engineering Students

**Program Outcome Mapped:** PO1, PO2, PO5, PSO1, PSO3,

### Objectives:

1. To make students familiar about recent web technologies.
2. To develop student's ability to design and customize web pages using various technologies.
3. To give students practical realization in handling web technologies using various software tools for customizing and designing websites.

### Outcome:

1. Students have gained insights in using different web technologies.
2. Students have learnt about how to develop creative and dynamic web application using PHP and to create servlet application.

3. Students have understood the importance of XML in various web technology application they learnt through this workshop.

#### **Day-1(8th May, 2023, Monday)**

The workshop was inaugurated by HoD of Computer Engineering department, Dr. K C Nalavade. Further the event coordinator Prof. Snehal Dongre welcomed and introduced the resource person of the event Prof Piyush R. Kulkarni.

On day 1, in the morning session, Prof Piyush started with delivering the basic introduction of PHP technology. In this session he covered various topics of PHP technology like features of PHP, advantages of PHP, its use in various fields, its requirement. He further gave brief explanation on how to deal with in writing simple PHP application programs.

In the afternoon session, he continued with hands on experience in designing and developing a PHP server side application with complete practical implementation.

#### **Day-2 (9th May, 2023, Tuesday)**

On day 2, the morning session Prof Piyush R. Kulkarni started with the introduction of Java Servlets, its requirement. He gave practical demonstration on how to create servlet application using Eclipse on server.

In the afternoon session, He delivered brief introduction on various web services and importance of XML in web technology application.

#### **Day-3(10th May, 2023, Wednesday)**

On day 3, the morning session Prof Nilesh Madke delivered with his hands on experience in using JSP. He briefly explained about how to write java web services for client side application. In the afternoon session. He further gave practical implementation on dealing with JavaBeans application.

#### **Day-4(11th May, 2023, Thursday)**

On day 3, in the morning session Prof Piyush R. Kulkarni delivered his talk on experience with Angular JS. He very beautifully explained about how to create Angular JS application. Furthermore he gave practical implementation on dealing with Angular JS.

#### **Day-5(12th May, 2023, Friday)**

On day 3, the morning session Prof Snehal P Dongre started with practical implementation in PHP. She briefly explained about how to connect database with PHP application. In the afternoon session, a quiz was arranged based on topics covered throughout the sessions.

Name of Participant: Dhatrak Abhishek Bhausaheb  
Class: T.E  
Contact Number: 7447364735  
Email id: abhishekdhattrak34@gmail.com  
Title of Activity: one week value added Program on Web development

Give your rating on the basis of following evaluation scores.

Rating Scale	Excellent - 4	Good - 3	Average - 2	Below Average- 1
	Statements			Rating
	The Content was based on relevant topics.			4
	The Program was well organized.			3
	The topic of the program was easy to understand			4
	The duration of the program was good enough.			4
	The Program was beneficial for students' academic /personal growth.			4
	Overall view of the Session			4
