Department of Computer Engineering

Institute Vision
We at SIEM aspire to be a globally recognized Institute that delivers a world class education to outstanding intellectual by nurturing and grooming by their interest, creative abilities and thrusts to acquire a life-long learning so as to imbibe values of their   commitment towards society.

Department Vision
The department aims to be recognized in the field of quality education through excellence in teaching, learning, research and innovation for the betterment of society.

EVENT REPORT

Webinar on "Opportunities & Requirement in the field of Data Science"

Name of Event: Webinar on "Opportunities & Requirement in the field of Data Science"

Date of Event: 10.09.2020

Coordinator of Event: Dr. K.C. Nalawade

Name and Details of Resource Person: In association with Deloiits India LLP

No of Participants: 65

Details of Participants: Final year Computer Engineering Students

Program Outcome Mapped: PO1, PO5, PO12, PSO1, PSO3
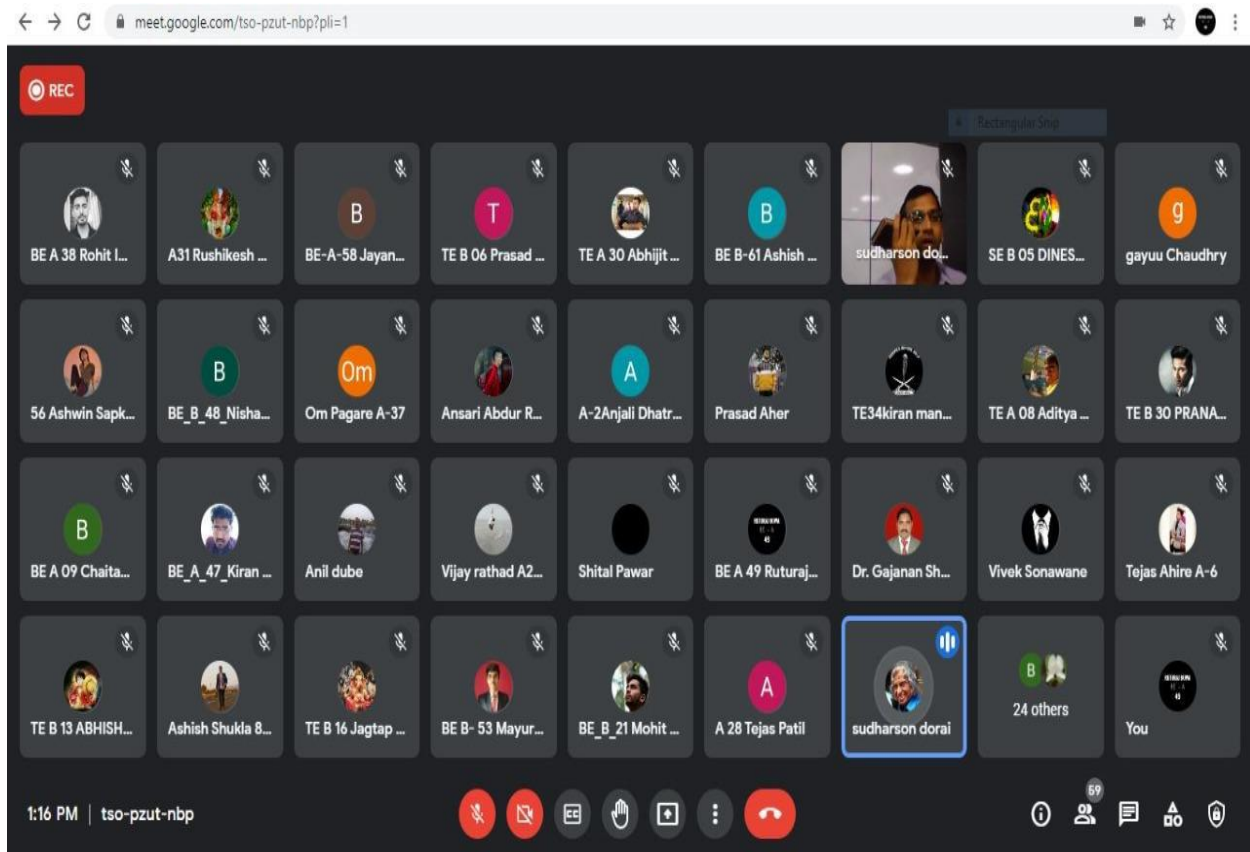

Objectives:

- Students will develop relevant programming abilities.
- Students will demonstrate proficiency with statistical analysis of data.
- Students will develop the ability to build and assess data-based models.
- Students will execute statistical analyses with professional statistical software.

Outcome:

- Developing programming abilities.

- Demonstrating proficiency with statistical analysis of data.

- Developing the ability to build and assess data-based models.

- Executing statistical analyses with professional statistical software.

- Demonstrating skill in data management.

    - Develop in depth understanding of the key technologies in data science and business analytics
