

## **Report of Seminar on “Engineer’s Day Celebration”**

1. **Event Title:** Seminar on “Engineering is a lifelong learning and useful ness of engineering techniques in space science.”
2. **Event Date:** 15/09/2023 (Friday)
3. **Event Conduction Duration:** 1 day (Timings: 12.30 p.m. to 3 p.m.)
4. **Event Venue:** Computer Seminar Hall
5. **Event Resource Person Details:**  
Ms. Apurva Jakhadi is an acclaimed NASA-Honeywell Space Educator based in Alabama, USA. She is the Vice-Chairperson of the Institution of Electronics and Telecommunication Engineers IETE and a member of various national and international space organizations like United Nations-Space Generation Advisory Council (SGAC), UN PSA, Vienna, Austria and National Space Society, Washington D.C., (NSS) USA.
6. **Name of Event Coordinator:** Dr. Pallavi V. Baviskar.
7. **Name of Student Coordinator:** Mansi Salve, Durvesh Patil, Keshav Salunkhe, Amit Arote.
8. **Expected Audience:** Students of FE SE TE and BE.
9. **Number of Participants:** 110
10. **Seminar Content:**
  - How to build a successful career in space science.
  - To understand the importance of conceptual thinking and problem-solving.
  - Time and skills management.
  - Acquire knowledge for work in research departments of ISRO.
  - Discussion about successful projects as space scientist and astronauts.

### **11. About Seminar:**

Ms. Apurva madam interacted with students and shared information about Mission Chandryaan, Space Activities and Trainings in NASA. She also shared few photographs and videos about the planets and how the astronauts work in space and spaceship. Students eagerly interacted with the guest.

Ms. Apurva madam shared her NASA experiences with motivational videos. Working on ISRO, upcoming space projects are discussed. The session concluded with a technical Quiz. FE and SE students attended the Engineer’s Day Program.

A complete Engineer’s Day Program was Anchored by Ms. Mansi Salve (BE student and CESA

coordinator). Siddhi Waghchore and Dimple Yadav (SE students) were gave homage to sir Visvesvaraya was one of the foremost civil engineers. His birthday, **15 September**, is celebrated every year as Engineer's Day in India. ). Siddhi Waghchore and Dimple Yadav share their thoughts by presenting a speech about Engines day.

A technical Quiz was conducted by students volunteers Keshav Solukhe and Amit Arote ( SE Computer ) has designed a technical quiz set for object oriented concepts and Data structures. Mansi Salve and Aishwarya Saner (BE computer) conducted quiz. FE and SE students were participate and solved this quiz.

#### Objectives:

- Help participants built their career in space science. .
- Teach participants how to manage time and utilize skills according to area of interest.
- Encourage individuals to participate in research and science projects learnings.
- Provide resources and guidance for researching and exploring various career options and industries available for space scientists.
