

## Department of Computer Engineering

---

### Institute Vision

We at SIEM aspire to be a globally recognized Institute that delivers a world class education to outstanding intellectual by nurturing and grooming by their interest, creative abilities and thrusts to acquire a life-long learning so as to imbibe values of their commitment towards society.

---

### Department Vision

The department aims to be recognized in the field of quality education through excellence in teaching, learning, research and innovation for the betterment of society.

## EVENT REPORT

On

### Expert Lecture on “Data analytics Methods”

**Name of Event:** Expert Lecture on “Data analytics Methods”

**Date of Event:** 16/09/2021

**Coordinator of Event:** Prof. M.S. Deshmukh

**Name and Details of Resource Person:** Prof.Piyush R. Kulkarni, Guru Govind Singh college of engineering,Nashik

**No of Participants:** 42

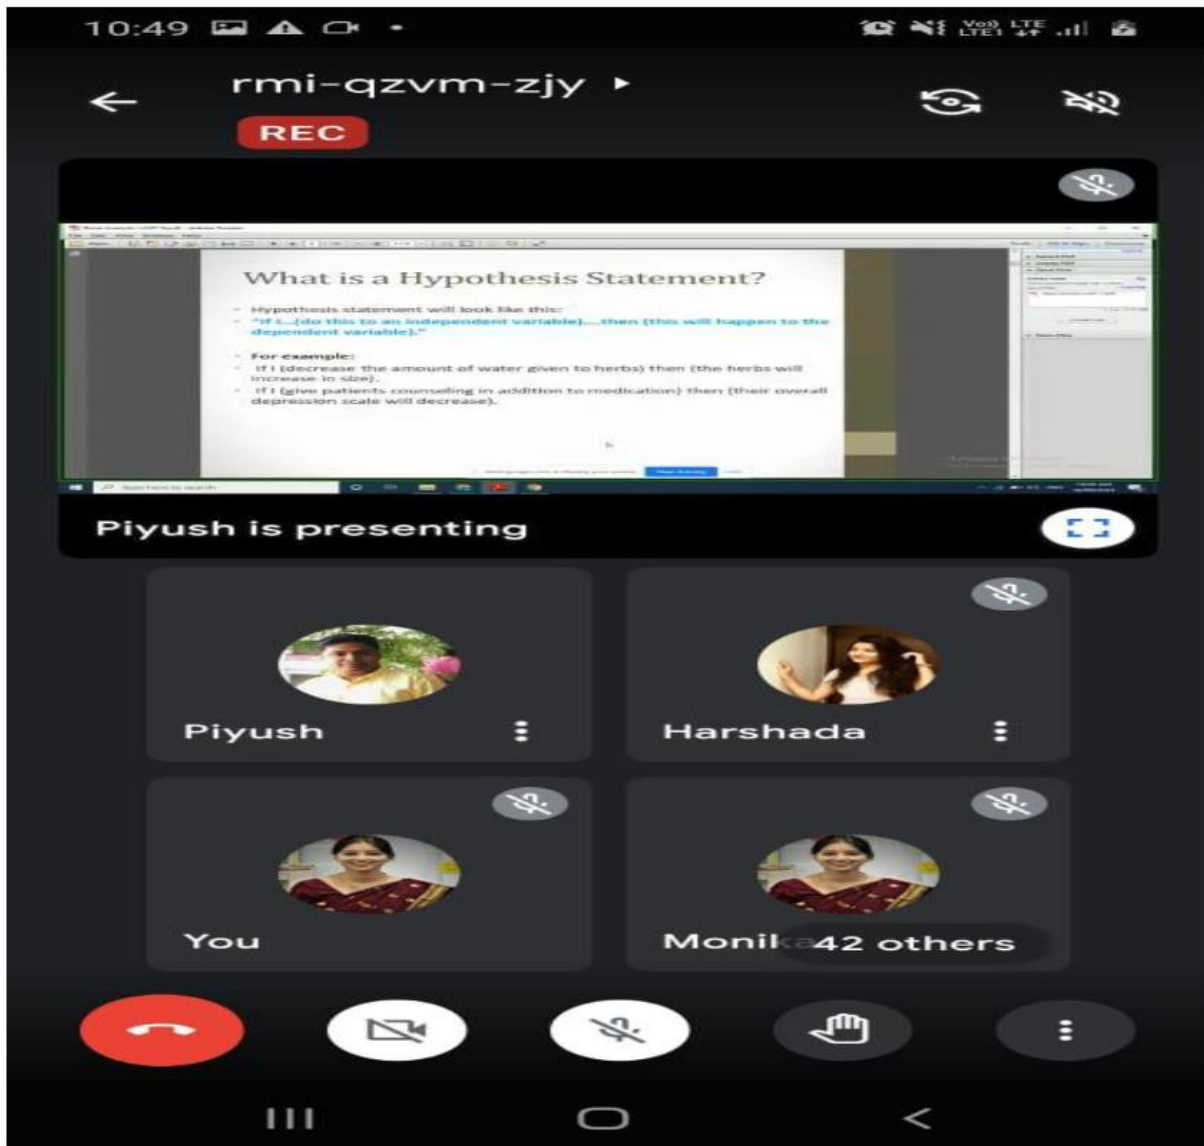

**Details of Participants:** Students BE Computer Engineering Department.

**Program Outcome Mapped:** PO1, PO2, PO5,PO9, PSO1

**Objectives:** To Prepare engineering students to analyze Data using basic data analytic methods.

**Outcome:** Perform and evaluate Statistical Methods for Evaluation- Hypothesis testing, difference of means, wilcoxon rank–sum test, type 1 type 2 errors, power and sample

Photos:

REC

What is Hypothesis?

- A hypothesis is an **educated guess** about something in the world around you. It should be testable, either by experiment or observation. For example:
  - A new medicine you think might work.
  - A way of teaching you think might be better.
