**Event Title:** Expert lecture on DBMS

**Event Scheduled:** 1<sup>st</sup> Oct, 2024 (10:00AM- 12:00 PM)

**Resource Person:** Prof. Neha Ahire, Computer Engineering Deptt, SIEM, Sandip Foundation, Nashik

**Timing:** 10:00 am onwards.

**Event Venue:** TE classroom, SIEM, Sandip Foundation, Nashik

**Participants:** TE students of E&TC Department

**Organizing Committee:** SAET committee of E&TC department

**Objectives:**

The objective of this guest lecture is to provide participants with a comprehensive understanding of **Database Management Systems (DBMS)**, focusing on both foundational concepts and recent advancements in the field. The lecture aims to:

1. **Introduce core DBMS principles** – Explain fundamental concepts such as database architecture, data models, normalization, and query processing to give attendees a solid foundation.
2. **Explore practical applications** – Demonstrate how DBMS is used in various real-world applications, including transaction management, data integrity, and security.
3. **Discuss emerging trends** – Highlight recent developments and technologies in the database field, such as NoSQL, distributed databases, cloud databases, and Big Data management.
4. **Provide hands-on insights** – Share practical experience and case studies to illustrate challenges and solutions in database design, implementation, and optimization.
5. **Engage with Q&A** – Encourage interaction through a question-and-answer session, where attendees can engage with the expert and gain deeper insights into specific topics of interest.

## Department of E&TC Engineering

Date: 30-09-2024

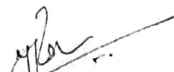

To,  
Prof. Neha Hiray,  
Asst. Prof., Computer Dept.,  
SIEM, Sandip Foundation, Nashik

**Subject: Request for Expert on session on "Database Management"**

Respected Ma'am,

We are well aware with your expertise in the field of "Database Management".  
As a part of academic curriculum, we wish to arrange Expert session on Database Management for our Third Year Electronics & Telecommunication Engineering students. The Expert session date is 01/10/2024.  
Timing: 10:00 am to 12:00 pm. Location: Third Year Classroom (E&TC Department, SIEM)  
We will be immensely grateful if you could give your consent and spare your valuable time for the session.

Thanking you,

  
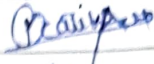

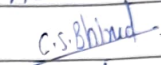

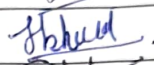

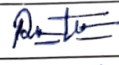

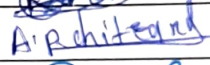

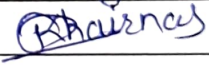

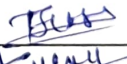

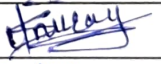

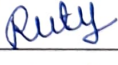

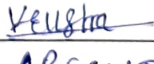

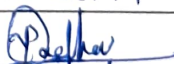

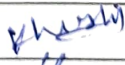

Prof. Y. R. Risodkar  
HOD

  
Dr. Dipak P. Patil  
Principal  
PRINCIPAL
