Event Title: Session on Public Speaking.

Event Scheduled: 19th October, 2024 (10:00 AM- 1:00 PM)

Timing: 10:00 am onwards.

Event Venue: Civil Seminar hall, SIEM, Sandip Foundation, Nashik

Resource Person: Sumit Desmukh, Training officer, Sandip Foundation, Nashik.

Participants: Student of TE, E&TC department

Name of Faculty coordinator: Prof. Amit Kr. Mishra, faculty from E&TC department

Objective: The objective of a session on public speaking typically involves helping participants develop the skills, confidence, and strategies to effectively communicate in front of an audience.

Some specific objectives might include:

1. **Building Confidence:** Overcoming anxiety or fear of speaking in public.
2. **Improving Clarity:** Learning how to structure ideas clearly and logically for easy audience understanding.
3. **Engagement Skills:** Understanding how to capture and maintain audience attention through storytelling, body language, and vocal variety.
4. **Effective Use of Visual Aids:** Learning how to incorporate slides, charts, or props to support the message without overwhelming the audience.
5. **Non-verbal Communication:** Mastering body language, eye contact, gestures, and posture to enhance the presentation.
6. **Persuasion Techniques:** Developing the ability to convince or inspire the audience with compelling arguments and emotional appeals.
7. **Handling Q&A:** Learning how to respond confidently and thoughtfully to audience questions.
