Department of Computer Engineering

Notice

Date: 29/07/2024

Industrial Visit at E-Smart Solutions

All BE students are hereby informed that our department has organized a "**Industrial Visit At E-Smart Solutions**". This workshop is specifically arranged to help final year engineering students prepare for their professional journey. It will focus Understanding real-world applications of IoT and smart technologies, Insight into industrial automation and software development processes, Exposure to innovative solutions in energy management and sustainability. These skills are crucial for excelling in job interviews, group discussions, and workplace dynamics, ensuring a smooth transition from academics to the corporate world.
