**A.Y. 2024-25**

**Report on 19/10/2024**

- 1. Event Title: " Freshers' Ceremony"**
- 2. Event Date & Time: 19<sup>th</sup> October 2024**
- 3. Event Venue: Mechanical Seminar Hall**
- 4. Name of Event Coordinator: Dr. S. B. Ambekar**
- 5. Name of Anchors: Darshan Vavare (BE student) & Vedika Jadhav (TE Student)**
- 6. About Event:**

The Mechanical Engineering Students Association (MESA) organized a grand Freshers' Ceremony to welcome the second-year Mechanical Engineering students at the Mechanical Seminar Hall. The event was a vibrant mix of fun, interaction, and celebration aimed at fostering camaraderie among the students.

Dr. Dipak Patil, Principal of SIEM, graced the occasion as the chief guest and motivated the students with his inspiring words.

Dr. Dipak Patil began his speech by welcoming the second-year students to the Mechanical Engineering Department and congratulated them on reaching this significant milestone in their academic journey. He emphasized the importance of the engineering profession, highlighting the critical role mechanical engineers play in shaping the future through innovation and technology.

Dr. Dipak Patil urged the students to remain dedicated to their studies while also actively engaging in extracurricular activities to develop leadership and teamwork skills. He spoke about the various opportunities available to students at SIEM, from technical projects to industry exposure, and encouraged them to take full advantage of these to enhance their learning experience. He concluded his speech by advising the students to adopt a growth mindset, be curious, and constantly seek knowledge beyond books, stating, "The foundation you build here will shape your future success."

Dr. A. S. Dube addressed the students by expressing his pride in the Mechanical Engineering Department and the various achievements of its students and faculty. He welcomed the freshers with open arms, noting that they are now part of a prestigious and dynamic department. Dr. A. S. Dube focused on the importance of discipline, hard work, and passion in the field of engineering. He emphasized the need for students to embrace both academic and practical learning, pointing out the significance of lab work, internships, and projects in understanding real-world applications of mechanical engineering concepts. He also encouraged students to actively participate in departmental activities, especially those organized by MESA, as these provide valuable platforms for personal and professional growth. Prof. Sachin Chede and Prof. Kaustubh Joshi judged the various performances and competitions held during the ceremony, adding valuable feedback for the participants.

The event was elegantly anchored by Miss Vedika Jadhav, a third-year student, and Mr. Darshan Vavhare, a final-year student, who kept the audience engaged and entertained throughout the program.

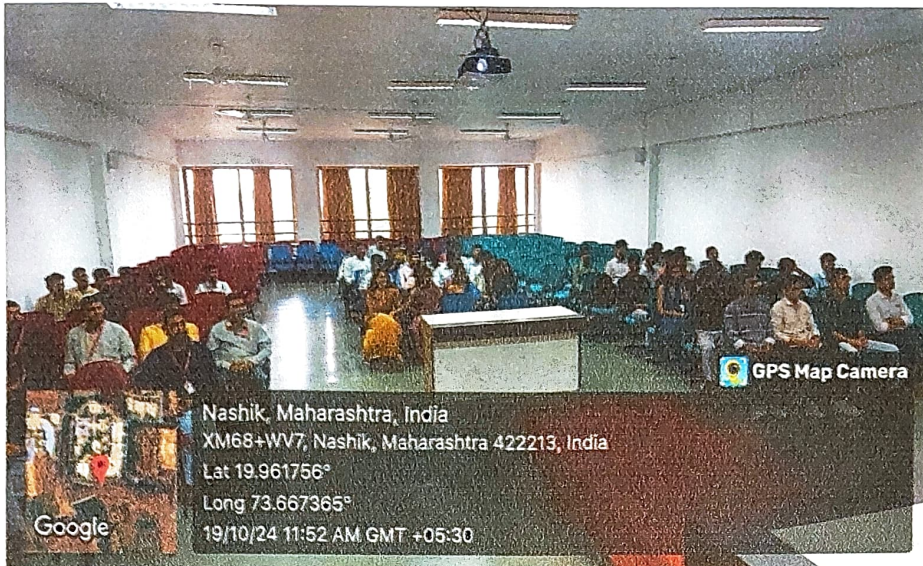

The ceremony was meticulously organized by the MESA team, showcasing their teamwork and dedication. The freshers enjoyed a memorable experience filled with fun activities and performances, helping them bond with their seniors and peers.

The event concluded on a high note, leaving behind fond memories for all who attended.

**Total Number of Student: 100**
