The Mechanical Engineering Department of Sandip Institute of Engineering and Management organized the Inauguration of the Mechanical Engineering Student Association (MESA) for the academic year 2024-25 on 16th October 2024. The event was graced by the presence of Dr. D. P. Patil, Principal, SIEM, Dr. A. S. Dube, Head of the Mechanical Engineering Department, and Dr. S. B. Ambekar Mentor of MESA.

The program began with an introduction to the objectives and activities of MESA, emphasizing its role in enhancing the academic and professional development of students. Following the introduction, Dr. D. P. Patil delivered a motivational speech. In his address, he encouraged students to actively participate in MESA's initiatives and highlighted the importance of co-curricular activities in building a holistic engineering education.

Subsequently, Dr. A. S. Dube spoke to the audience, inspiring students to engage in innovative projects and teamwork. His words emphasized the significance of student associations like MESA in fostering leadership and professional skills among budding engineers.

The core team of elected students for various posts in MESA was felicitated during the event. The felicitation ceremony was conducted by Dr. D. P. Patil, Dr. A. S. Dube, Dr. S. B. Ambekar along with faculty members of Mechanical Engineering Department who recognized the students'

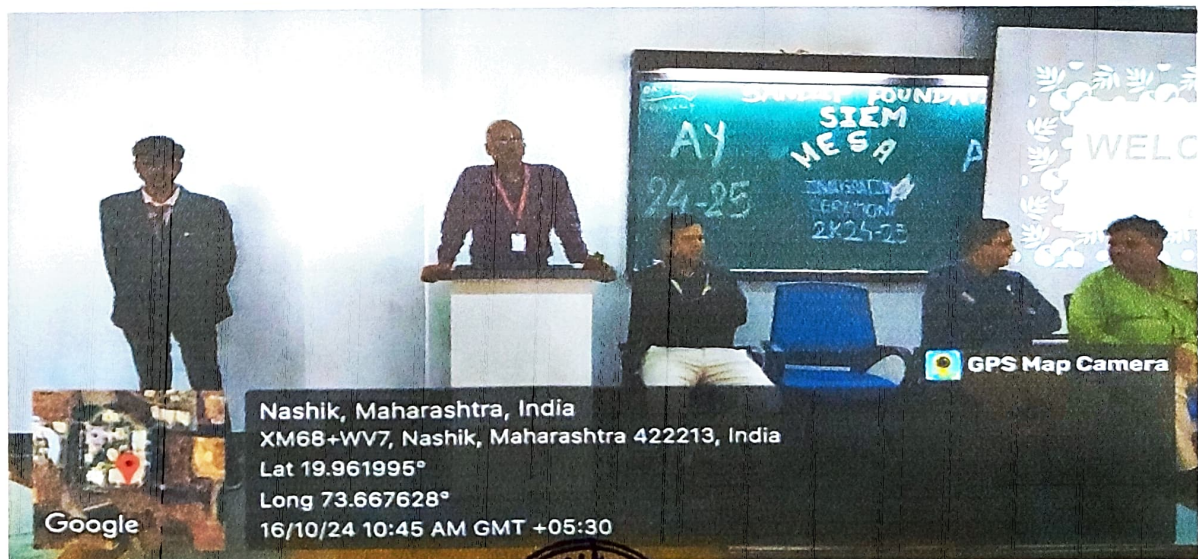

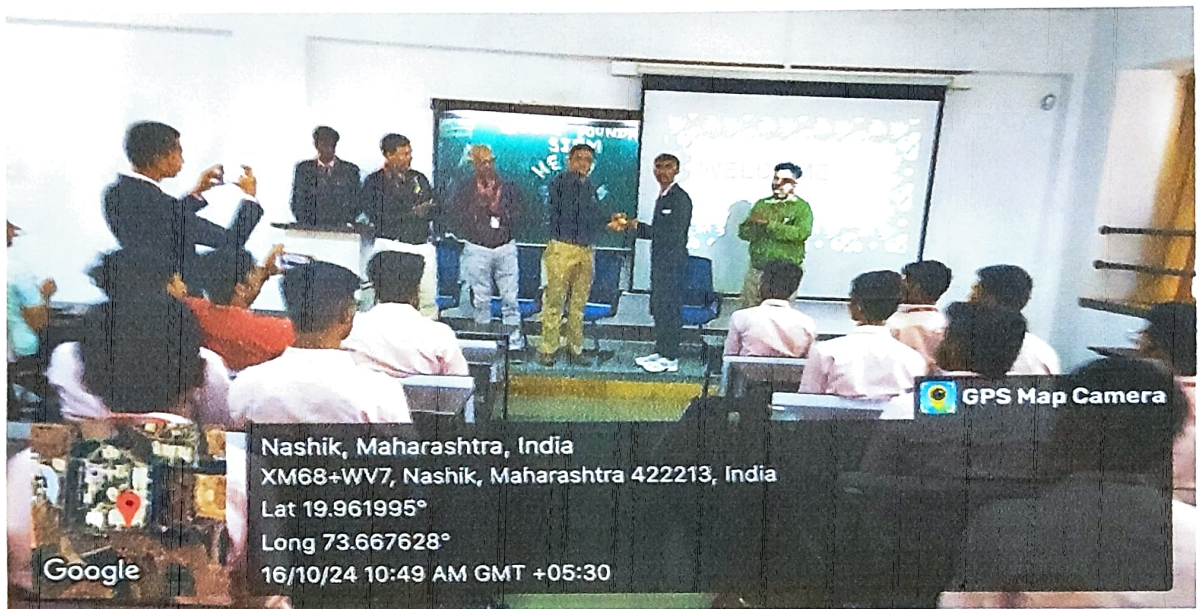

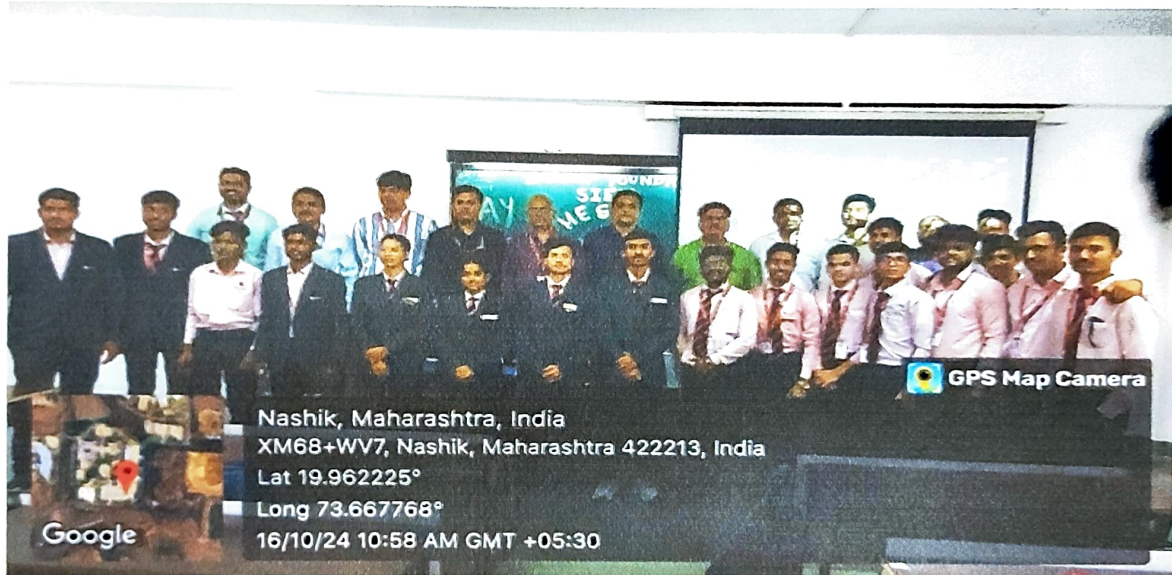

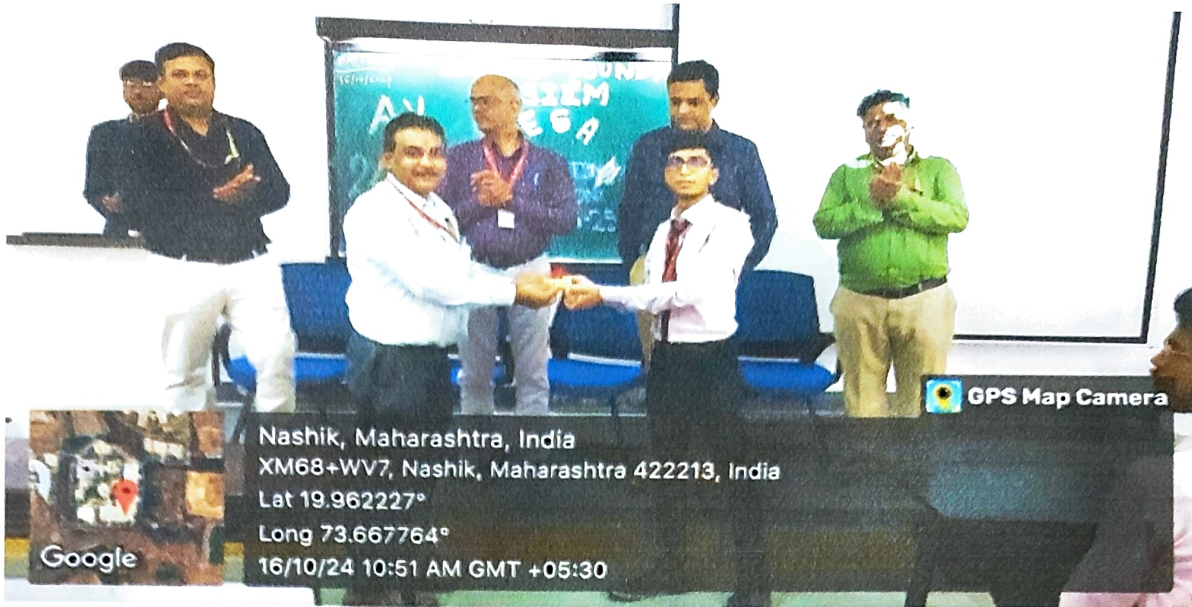

dedication and leadership potential. The newly elected team expressed their gratitude and shared their vision for the association's activities for the upcoming academic year.

The event concluded with a vote of thanks, appreciating the efforts of the faculty and students in making the inauguration a success. It marked the beginning of another promising year for MESA, dedicated to creating opportunities for growth and learning for mechanical engineering students at SIEM.
