We would like to invite you to partner with us by hosting this prestigious exhibition at your provide students and visitors from nearby schools, colleges and residential opportunity to explore space science exhibits and participate activities.

#### **10. Event Summary:**

The "Space on Wheels" project, an initiative by Vidnyan Bharati (VIBHA) in collaboration with the Indian Space Research Organisation (ISRO), was hosted on 19th November 2024 at our campus. The project featured a mobile exhibition, showcasing various models, visuals, and interactive displays highlighting the achievements and missions of ISRO.

The event commenced with an inaugural ceremony, where Dr. P. S. Baravkar introduced the purpose and significance of the event. The exhibition provided attendees with an engaging overview of ISRO's space missions, including Chandrayaan, Mars Orbiter Mission, and the Gaganyaan project. Students and faculty were particularly intrigued by the scaled models of satellites and launch vehicles, as well as the virtual reality demonstrations.

The "Space on Wheels" exhibition drew significant participation, with over 500 attendees, including students from neighboring schools and colleges. A Q&A session facilitated by ISRO scientists allowed attendees to clarify their doubts and deepen their understanding of space technologies.

The "Space on Wheels" event successfully achieved its objectives of educating and inspiring attendees about space science and technology. The interactive and immersive experience left a lasting impact, encouraging many to delve deeper into the field of space exploration. Special thanks to Dr. P. S. Baravkar for coordinating the event and ensuring its success. The event highlighted the importance of integrating real-world science initiatives into academic environments to foster learning and innovation.
