Department of Computer Engineering

Notice

Date: 26/07/2024

Expert Talk on Programming and Operating System

All BE students are hereby informed that our department has organized a “**Programming and Operating System**”. This workshop is specifically arranged to help final year engineering students prepare for their professional journey. It will focus on enhancing programming skills, Problem Solving, and improving Software Development skill. These skills are crucial for excelling in job interviews, group discussions, and workplace dynamics, ensuring a smooth transition from academics to the corporate world.
