Report on InnoVision: Nurturing Ideas on National Startup Day

- 1. Event Title:** InnoVision: Nurturing Ideas on National Startup Day
- 2. Event Date:** 16/01/2024 (National Startup Day)
- 3. Event Conduction Duration:** 1:30 Pm To 3:30 Pm (2 Hours)
- 4. Event Venue:** SIEM Electronics & Telecommunication BE Class Room
- 5. Name of Event Coordinator:** Prof. Amit Mishra
- 6. Expected Audience:** Students of BE.
- 7. Number of Participants:** seven.
- 8. Event Outline –**

On National Startup Day, the Electronics & Telecommunication Department is organizing a dynamic event to cultivate innovation and inspire the next generation of engineers. The event will feature an engaging Group Discussion and Essay Writing Competition tailored for final-year engineering students.

9. Event Highlights:

Group Discussion (GD): Stimulating discussions on contemporary topics related to technology, entrepreneurship, and innovation. Participants will have the opportunity to share their perspectives and engage in meaningful dialogue.

Essay Writing Competition: A platform for students to display their thought leadership and articulate their ideas through the written word. The competition will encourage participants to explore innovative concepts in the field of electronics and telecommunication.

10. Event Objectives & Outcomes:

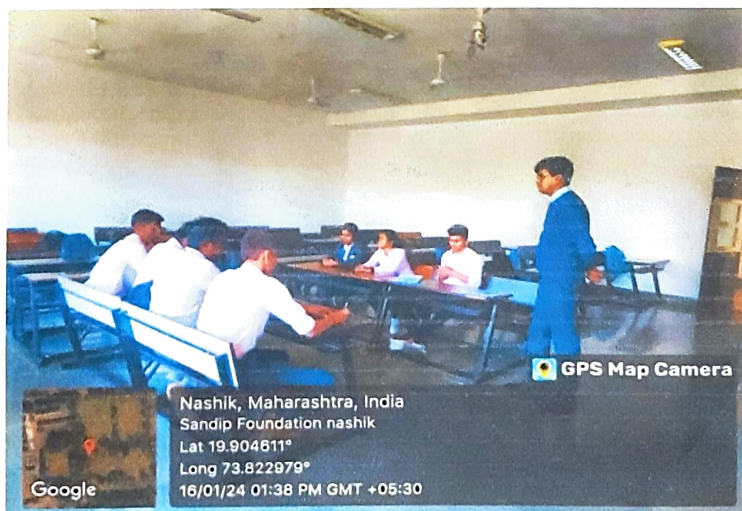

Event Objective:

- Foster a spirit of innovation and entrepreneurship among final-year engineering students.
- Provide a platform for students to express their views on technological advancements and startup culture.
- Encourage collaborative thinking through group discussions.
- Recognize and celebrate the creativity and writing skills of students.

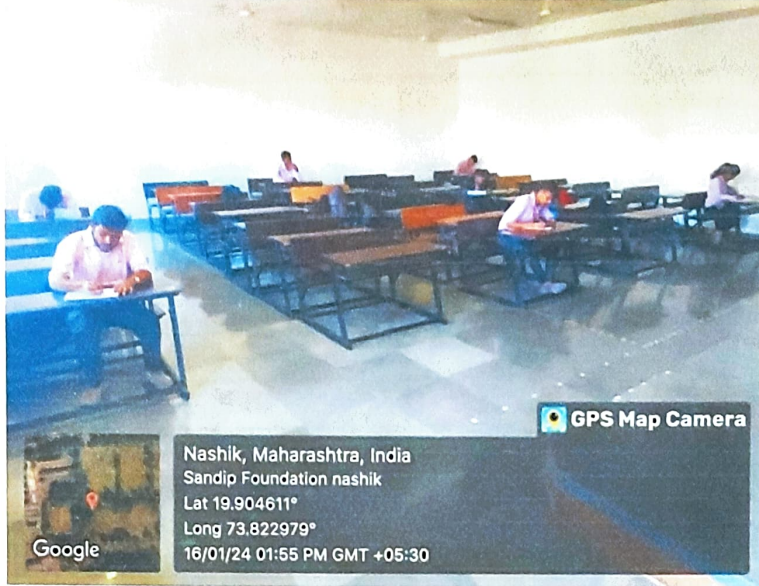

Event Outcomes:

- Enhanced awareness of startup culture and its significance in the electronics and telecommunication industry.
- Development of critical thinking and communication skills through group discussions.
- Recognition of outstanding ideas and perspectives presented in the essay writing competition.
- Creation of a supportive environment that inspires students to explore entrepreneurial opportunities
